THE SUL MARININE CANAL - Under th Last Tressia. Nov. 18th, there occurred the steresting ceremony of introducing the waters for the Mediterraness into Lake Tircesh. M. december, accompanied by the Sheik Islam, the

Lease ps. accompanies.

Ulemas and size Catleire Bishop of Alexandria, and silikhe employée of the Company who could afford in stand, and a large number of greets, assembled at the appointed place to jarticipate in the lunoritant event. Atten o'clock, A. M. all being ready, M. de Lesseps advanced apon the left box of the enant and ottered the following words:

"In the name of H. H. Stil Pashs, I command that the waters of the Mediterraneau be introduced into Lake Timesh, by the grace of God!"

introduced into Lake Thusan, by the King God!

The dyke was then removed and the waters flowed into the lake. The Clemas then bleased she waters and a Te Dean was sing in the French Church of Et Guis". In the evening a sumptupes banques was given to the guests and the employee, about 3.00 persons. I was particularly noticed that no French day was displayed on the occasion.

The sirreck Revenution — How the Girecks Regard 1s.

An English man in Athesa, in a letter to the London Trares, the attecthes the coddition of the city immediately after the revolution had driven Othor from his throne:

"Knowing 15e excitable and demonstrative character of the Athenians, I expected to find that they had made the most of the occasion to celebrate with decorations, flags and flowers so anapicious an event. I remembered Milas, Maples and Palerno, and all the read of Italy dering those Siret holidays of freedom—never to be forgotten by any one who wineseed them—when men, womes and children, houses and streets, seemed all to celebrate the great fents of redomption. I looked right and left as I entered the streets of Hermes, which leads straight towards the balace, but found nothing of the kind here. All was as usual in its every day business carb—men, women, houses and streets—the, people sit work everywhere, and active the street that any timp rather uncommon—such for (astance, as a charge of dynasty—had taken place a week age. But at the weatern entrance of Athens lies a poor part of the fown. I thought it is wast till we get to the so-called "Four Roads" where the street of Hermes is intersected by the long street which rous from the Tapple of the Winds acrose the town, into the Patiesia root to the care of two flags artery lifeween the new town, to the northwest, and the old town, which needer of Young Girece, which, in ordinary these, is the readervoin of the crewd sager for Table is event divious King the horses of the lake events divious King the horses of the lake events divious King the horses of the lake events divious King her pands in despite of the lake events divious King her pands in despite of the lake events divious king her pands in despite of a country than a shall and the addition consisted of country than a horse of the lake events divious King the horse of the lake events divious King one rather of the Euperor Napoleon—a few brokes gas lamps, and a large quantity of rad and tr

LATER. Our loss about fifty killed and

Tion of the opposing armies.

Chattaneoga, Dec. 29.—No Sghting at Merfreebors' up to noon today, but both armies are in line, within half a mile of each other, and a battle is momentarily expected. Our troops are confident of victory.

Murfrectoro', Dec. '29—No general engagement to day, but skirmishing in front of our entire line has taken place. Wheeler's and Wharton's cavalry were warmly engaged all day.

The two lines are new in sight of each other. The enemy is advancing in splendid lines.

A battle will certainly be fought te-morrow. The Federala are in greater force than at first.

It is removed that Morgan is at Russellville Late Northern Intelligence

Richmond, December 30.—The New Tork Herald says Col. Foracy's organ is busy whip-ping in weak-backed Ropublicans, who are al-ready talking about the necessity of recognizing the Southern Confederacy. In this list are despair of the success of the Fed ment, and declare no more troops ed, even by draft, in the htates the
