by far the greatest.

As to the bill of \$80, demanded by the owner of the surf, (there are no "focks" on the sersey sea coust,) it Fig. HE attention of the stockholders in this institution was \$20 when presented, but, like stories of fishing, is requested to the following extract from the second section of the charter:

A Mrs. Titus, in New-York, lately detected a fair which she offers for sale at the corner of Toulouse talked about. I am hot offering an apology for this bill, any subscriber shall fail or neglect to pay any nor for the wreckers; many of them are two bad, God and held him until assistance came, when and Groute Rouge Cheeses; Lyon's Sausages, sardines in oil, fowls with truffles; turkies do.; champignons;

The evil and the authors of it are much nearer home. "As in "place of egarealment for goods, arranged ong the bench." I do not know of any, although I have killed birds enough there to make a feather hed.

N. B. It is said the Geo. Canning is going to pieces no of the plants and timbers having come ashore. April 9, 1982. 4

From the New-York Courier and Enquirer, April 18. New Grenada.—In our publication of yesterday we briefly alluded to the intelligence which land reached us from Carthagena the night before. We lieve Since received later Bogota papers and private letters. We collect further from them, that the district of Poamouncing the anxiety of that province to unite with New Grennda in regenerating Columbia, and forming a fellegal government for the whole. A dangerous conspiracy had been detected in Caraceas, and the conspi-

rators arrested.
General O'Bando vans about to take the field against general Flores, who held out against the present gov-HERMANN, JOHN MARTIN. JAMES CURELL, J. W. ered doubtfil, and the fall of Flores would complete the tempuillity of the whole country.

We observe that a writer in the Bogota Constitutio al, assails the treaty of the 21st of Nov. between the Unit d States and Colombia, and charges the ministry with being "surprised" by our minister, Mr. Moore. He alleges that the loss to Colombia and the gain to the United States by that treaty, will be 39,000 lollars a year. In the Constitutional of the 19th of January, this writer is answered ably and conclusive-We for our part are convinced that congress will or disturb the arrangement in question, which instead tween that country and the United States. A correspondent in B gota writes its the following: Congress will adjourn in a few days. The consti-

tution is a good one; the greatest objection to it is, that it attempts to define too minutely the rights and duties of the state. A general congress will be convoked bethis country? I certainly do not know; it is untural country, except from the letters of their friends here. Congress well elect general Santander president with out a dissenting rote, The sagnations and strong minded O'Bando will not be elected vice-president, but be placed at the send of the army, and it is impossible to say whigher Rafael Mosquera, a wealthy and talented and then I don't believe him, but when he undertakes

· FORTUNE'S FROLIC. - There was lately a performer acting at the Dover theatre, on a salary not passing twenty shillings'a week, and, of course, though he had served in the army, he was somewhat puzzled how to corry on the war, when news came that a youger relative, a baronet, was no more, and that the actor succeeded to the title, and 17,000. per aunum - Sunday Times -[Af ci.) The pers in alluded to is sir taining the account of the death of his relative was placed in his hands .- Glebe.

A NEW PRINCIPLE OF VIGUR. The Charleston Patriot throws out a new threat to the north, and conveys an intendition quite new in this quarter of the world. It issimuntes that there might be an infusion of monarchy in the new commonwealth of the south. Such, at least, we take to be the meaning of the following intercognitive warning:

"Would he statesman omit in his calculation, that if the north should still present republican modes of organization to balance any inferiority of power that might arise. Would such a probability Le worth nothing in the estimate?"

political wisdom of the questioner. He has evidently picked this notion of the vigor of a monarchy out of his books; but we question its justness for all that. ing taxes, and fettering the press; they are vigorous mischief makers, in short, and for a while; but they are very apt to dry up their revenues, exhaust popula Cottradiction of Proverses.—"The more the fon, liaving the greater part of her cargo changed, will merrier."
