was renormated by the Whig embed at Datenburg on Saturday - gentleman was a faithful membe. in to was resocrated.

to be the an entire that Gamble, Reyland and counter that Gamble, Reyland and counter enterth.

majesty. The fete of the Emperor is that of his bein. The 10th of December has been the consercation of the pass, the glorification of the the consercation of the pass, the glorification of the 10th December. The 10th of December has been the consercation of the pass, the glorification are too a fix the majesty. The fete of the Emperor is in some measure the consercation of the Persistence of the Consercation of the Prince." The excluding the Prince of th

Among other views, the possible necessity of an interference by England and France to preserve the rights of Stam, or at allevents to prevent amerganion to the United States, has been noted at. Of all positiest circumstances, however, any such medding on the part of England is in my judgment, the most unlikely. The conduct of Sound during the last generation has been such that it would, I think, be impossible to her, unless two commands samplety in the country of Sound during the last generation has been such that it would, I think, be impossible to her, unless two commands samplety in the country. Asset from that the general growth of the riging against marrier stripatly in the courty. Await from that the seneral growth of the being against unreference in the quarrels of other mations, merely on the ground of possible contingencies, which such quarrels may twolve with respect to our own interests, as every day more marked. Regret would undonbriedly he felt if your Government were in any way to connive at the fitting out of priatical expeditions, each as were defeated by its vigilance, last year; which regret would be considered to the result of the fitting of the result of the fitting of the result of the result

THE ATLANTIC'S NEWS.

The stemmship Atlantac, Capt. Wast, arrived at New York on the morning of the 1st instant having left Liverpool on the 20th ult. Here news is not of much importance. We make up or summary chiefly from the Commercial Advances in the properties of the new insurrection in Gaba continues to be a leading subject of speculation in London, and much disappointment was felt on the arrival of the Atlantac, bringing New York papers to the 6th at (August, without any furner news from that ivlant. There is an increasing impression that the movement may prove to be more serious than was at first supposed, and most of the daily papers have favored the public with optimions as to the consequences both to the Unite! States and Europe, which
