[illegible] Subscribers [illegible] to be responded to by those to whom it is addressed.
We call upon the honest and patriotic men of all parties in Louisiana and Mississippi to express their judgment upon the acts of a Locofoco administration which was bolstered up by so infamous a system of espionage, under the direct auspices, management and paternity of Thomas Ritchie—then editor of Richmond *Inquirer*, and now of the Washington *Union*. Let the people pronounce their verdict on a system, which its own author has pronounced odious, detestable and vile.
