FOR GOVERNOR.

HENRY JOHNSON.

NEW ORLEANS:

THURSDAY MORNING, APRIL 1, 1861.

YESTERDAY the Bulletin yesterday meant to lead us that our reporter obtained English papers from the ship San Luis by representing himself as the ship's newspaper editor of that paper, we have the authority of that gentleman to contradict his assertion as utterly false.

EX COMMUNICATIO IN THE COTTER AND THE LATER ACCOMMUNICATO FROM EUROPE PUBLISHED IN THE "GLOBE OF TODAY."—Mr. Johnson has no doubt but that he will be able to furnish us with a copy of the "Globe of Today" before the 1st of April. The sales of that paper, however, have been made up to 1,000 copies daily, and it is now the most popular paper in New Orleans.

NOTWITHSTANDING THE GREAT DEMAND FOR COPIES OF THE "GLOBE OF TODAY,"—Very little demand for foreign news exists in New Orleans. The market is dead, and so are the stocks.

MONTGOMERY, MARCH 18.—

COTTER.—The market without much change.

The sales of the Ohio Florio have been at \$40 per barrel.

THE STOCK OF OHIO FLORIO IS NOT LIKELY TO BE GREATLY INCREASED, TWO OR THREE ARRIVALS ONLY BEING MADE.

THE COTTER.—The movements of the British Government, and the like, are the chief topics of conversation.
