It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunete martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its mestimable merits. Proofs of the value of Potter's genuine Cathelicon:its healing powers: its usefulness as a general restorer of health: the city of Philadelphic alone could furnish thousands of witnesses, to contradiet the base and malicious fabrications which daily emanate from the jealous.

What, we would ask, can be a stronger proof of its utility, than its success in the Pennsylvania Hospital, Philadelphia Alais House, and the Philadelphia and New-York Penitentiaries. and in other public institutions alike serviceable, where the eminent skill which presides over them had been exhausted in vain. "These facts speak trumpet tougued'-and cannot be gainsaid. It is much to be lamented that there are so many spurious mixtures manufactured in initiation of this invaluable nuclecine, some assuming to possess equal virtue, and wended under the same titles-some have gone to the daring extremity of refilling the old bottles with the labels on; whilst others, to filch the public, have published for their benefit the very certificates which the propriator of the Genuine Catholicon

r to militaries. Elegant rooms for ladies or envy, jealousy and fraud; and thereby presented private parties will be found in the upper part extending the usefulness of this great and long wished for remedy.
