SKETCH OF A PROSPECTUS

For a Weekly Periodical, to be published in the City of New-Orleans.

IT is proposed that a paper, to be entitled to the Arts and Sciences, Literature and Religion, shall be published in our city. This paper will be called

THE LOUISIANA RECORDER.

In order to insure its success, and afford the public a sufficient guarantee for the character and stability of the paper, an association of gentlemen has been formed, under whose auspices it will be commenced, and by whom it will be conducted, through the agency of a Committee of Supervision, chosen from among themselves.

This association is principally composed of professional gentlemen, many of whom are Canadas, and all of whom have been, for several years, residents of New Orleans. They deeply feel the importance of a new periodical, for the more extensive diffusion of that knowledge adapted to the generous and independent spirit which characterizes the inhabitants of Louisiana, and to liberal views of the establishment prospects of our city, together with the increasing regions connected with these great emporiums of the South and West. The members of this association pledge themselves to exert their influence in procuring the aid of the talented throughout the United States to furnish matter for the columns of the Recorder, without regard to party feelings, individual jealousies, or sectarian prejudices.

It is intended that this paper shall contain the usual quantity of original and selected matter found in the best periodicals of a similar description.

The price to city subscribers is fixed at $5, per annum, payable in advance. To persons at a distance it will be sent, on the receipt of $5. The first number will be issued on the 1st of January, 1835, or sooner, if the subscription shall warrant the publishers in the attempt; and all the proceeds, over and above the actual expense incurred, shall be for the exclusive benefit of the *Male Orphan Asylum of New Orleans.*

It is expected that the postage will be paid on all communications addressed to the publishers.

☞ Subscriptions will be received at *Hotchkiss's* and *McKean's* Book Stores. nov 8
