NOTICE—The undersigned having come to the certainty that a large quantity of Sugar, of the very worst possible, is daily sold to the country by some receiving packers and ob- certy retailers, most unscrupulously using my name, a- cell as empty jars bearing my cards and labels, takes this method of informing all country merchants and consumers of this facts, in order that from this day they may not be deceived again by this most unjustifiable fraud.
N. B.—From this day, the labels bearing the name of my house and the consultation of the quality of the sugar, will be inserted under the cover of the jars, and no longer pasted on the outside as heretofore.

Architecture, Civil Engineering and Surveying.

HAVING removed my office to Banks' Arcade, on Magazine street, in New Orleans, I respectfully state that I shall continue to tender my professional services in every branch of Architecture, Civil Engineering and Surveying. Plans for private and public buildings of every kind and description in Grecian, Gothic, and all the various modern styles, will be made with a strict regard to utility, comfort and beauty, accompanied with specifications and estimates, based on the local average prices of labor and materials.
To surveys and locations of greater interest improvements, building works, as railroads, canals, protective works on rivers, as Levees, Piering works, etc., a corresponding attention will be devoted. Having a sufficient number of able assistants at my disposal, I am now prepared to extend my business to a distance from New Orleans, if the object be sufficient enough, and to procure surveys and hundreds or thousands of mechanics and laborers for the energetic execution of works of the greatest magnitude. Surveys and plans of real estate, topographical maps, drawings of machinery, plans, specifications and estimates for country residences, dwelling houses, warehouses, cottages, etc. will be executed in the most perfect manner, but I shall also most faithfully superintend the execution of any kind of buildings or other improvements, from a single cottage or plantation house up to the most extensive and magnificent edifice, and will be most happy to furnish the necessary plans, drawings and specifications for the same.
Letters may be addressed to me either in the English, French, Spanish or German languages.

Agency Sun Mutual Insurance Company.
New-Orleans, Nov. 13, 1845.

THE SUN MUTUAL INSURANCE COMPANY of New York, in pursuance of their Charter, closed their accounts on the fourth of last month, and after paying all their losses, including those of the great fire on the 19th of July last, have remaining in good assets, $873,000 00. Since then the premium notes and cash received for risks taken, exceed $600,000, which added to the above, make a fund of at least $700,000.
Since the 4th of last month, the parties doing business with the Company, do not stand, in any way, with the losses of the preceding years which, with the means above stated, the undersigned believes, present more than ordinary protection and inducements to persons desiring insurance.
Policies against the perils of Fire, Rivers and Seas, continue to be issued by

MUTUAL INSURANCE.
THE General Mutual Insurance Company of the city of New York, having assumed and taken over the unexpired risks of the Ocean Mutual Insurance Company of this city (which Company has gone into liquidation), are prepared to insure against Fire, River and Marine Risks, at the late office of the Ocean Insurance Company, No 46 Camp street, on the most favorable terms.
The "General Mutual Insurance Company" have a large capital well invested; they have paid back to the persons who have insured with them 30 per cent. of their premiums, during the past three years, in script, bearing six per cent. interest, payable annually; and as the business of the Company is conducted altogether on the mutual principle—that is, dividing among those who pay the premiums the entire profits of the office—at large a dividend is as paid by any other mutual office may be confidently expected from their future operations.
This Company offers the additional advantage to those who insure with them, of paying their losses either in New York or New Orleans, at the option of the insured.

SHEET LEAD AND IMPROVED PATENT LEAD PIPE.—The subscriber continues to manufacture his improved Leaden Pipe, and solicits the attention of Planters and others to the same. The pipe affords great facility for the conveyance of water from long distances, either from springs or by pumps from streams, and merits the notice of residents on the Coast, for the supply of their establishments. It can be made of any size, from one-fourth to four inches calibre, as may be desired, and affords decidedly the cheapest medium for the purpose.
Orders for the above will be filled at short notice by application to the manufacturer.
