FURNITURE.

MM. DUBOIS and BERGER have the honor to inform the public that they have opened their new warehouse, No. 1 Camp-de-Mars, where they will be happy to receive their friends and customers.

MM. D. and B. have adopted for the sales at the above establishment the one price system, which they have found to be the only one which can satisfy the public, as it is the only one which can guarantee to every purchaser the same advantages.

The prices are marked in plain figures, and the lowest price is the first and last asked.

MM. D. and B. have also established a system of sales for cash only, which enables them to sell at a very small profit, and which will be found to be the only one which can suit
