The Red Republic.

New York, Feb. 28.—A leading foreign bank has important private advices from France, showing accessive dissatisfaction with the peace terms. Throughout the country vengenant is on every heady is lips, and sobody believes that the Provisional Government can possibly be uncoseded by an Orleanist King, not withstanding the large numbers representing the provisional Government can possibly be uncoseded by an Orleanist, an order that the provisional foreign the Assembly. The people, the provision of the Assembly that the provisional favored the Assembly that the provision of the Assembly that the provision of the Assembly that the provision is the Assembly that the provision is the Assembly that the provision is the Prench Republic, and moderate Republicana. All points to the time when the Franch Republic, though dreadful at house, was respected and feared abroad; while under the Imperialists the enemy entered the capital twice. The Orleanists are too feeble. Even those in times past favoring moderation have been an led to extreme by their they know it most feared on the continent, especially by Francis. As soon therefore as Ports. March 2.—Jules Payre goes to Vernatiles to-day to demand the immediate eventation of Paris by virtue of the terms of the convention.
