TEMPLE OF THE MAGI,

Fitted up at very considerable expense, at no 140 Chartres st. between Conti and St. Louis st.

RAHAB-BEN-ABEL MARCHAEL, the far famed Chaldean Magi, and his Circassian lady, Zillah the Gybil, being the only two persons who have ever been permitted by the initiated Magi to visit a foreign country, will open every evening thereafter.

The very flattering reception they have met with in the Northern States, having been visited by upwards of 73,000 persons, has induced them to visit New Orleans and to hope to receive a portion of public patronage.

The apparatus and furniture are of a splendid description, and the hall is fitted up to represent the Temple of the Magii at Ispahan. The exhibition consists of the

Magic Feast,

In two parts, being a series of beautiful illusions in mechanical philosophy and natural magic, illustrative of the miraculous feats performed by the Ancient Magicians, Sorcerers and Indian Brahmins, as originally exhibited at the Court of Ispahan, before his Mightiness Mahmoud Schah, and also before the court of England, to the astonishment and approbation of their majesties and suite.

The illusions are of the first order, truly magnificent, instructive and amusing, and of such a nature, that *persons of the strictest religious principles can feel no* repugnance in witnessing.

Amongst many others the Brahmanical illusion of the

Sybilian Taper.

This deception of the Brahmins has puzzled and bewildered the learned of the old and new world. Also

THE TRANSFORMATION OF ZILLAH,

Who will in the presence of the audience,

Change to a Bird or Quadruped.

For particulars and excerpts recommendatory of the exhibition, see small bills at all the principal hotels, boarding houses and stores in the city.

Arrangements.—The Jewish is expressly appropriated to ladies and family parties, for which seats can be secured from 10 to 3, daily. Gentlemen unaccompanied by ladies will please take the *balconnies.*

MEXICAN CONSULATE.
New Orleans, February 12, 1836.

To the Editor of the Bee:

Sir—In compliance to orders just received in this consulate from the honorable J M Ortiz Monasterio, acting secretary of state to the republic, it becomes my duty to give publicity to the enclosed circular, addressed by his excellency the secretary of war and marine department, on the date of the 30th December ultimo, to all the civil and military commandants of the said republic.

I request of you, sir, to have the goodness to insert said document in your paper, as soon as convenient, and you will

oblige your obedient servant,
F. PIZARRO MARTINEZ.
Mexican Consul.

MEXICO.
WAR AND NAVY DEPARTMENT.

Circular—**The government** has received information that, in the United States of North America, meetings are called for the avowed purpose of getting up and fitting out expeditions against the Republic of Mexico, in order to send assistance to the rebels, foster the civil war, and inflict upon our country all the calamities by which it is followed. In the United States, our ancient ally, expeditions are now organized similar to that headed by the traitor Jose Antonio Mejia, and some have even set out for Texas. They have been furnished with the fatal and unwarrantable means of which the revolted colonists are enabled to resist and fight the nation from which they never have received but immense benefits. The government is also positively informed that these acts, condemned by the wisdom of the laws of the United States, are also reported by the general government, with which the best intelligence and the greatest harmony still prevail. However, as these adventurers and speculators have succeeded in escaping the penalties inflicted by the laws of their own country, it becomes necessary to adopt measures for their punishment. His excellency the president *ad interim*, anxious to repress these aggressions by which unstable not only are the affairs of the vicinity of the Mexican nation, but also to an evident violation of international laws as they are generally adopted, has ordered the following decrees to be enforced.

1st. Foreigners landing on the coast of the republic or invading its territory by land, armed and with the intention of attacking our country, will be deemed pirates and dealt with as such, being citizens of no nation presently at war with the republic, and fighting under no recognised flag.

2nd. All foreigners who will import either by sea or land, in the places occupied by the rebels, either arms or ammunition of any kind for the use of them will be deemed pirates and punished as such.

I send you these decrees, that you may cause them to be fully executed.

Certificates.

I do hereby certify that William Adair put two of his Trusses on me the twentieth day of last April, having a spare in both sides, and one side is entirely healed up the other is not, being of an old standing, and I have no doubt of a perfect cure in time if properly attended to. I further state that I found no inconvenience by wearing said Truss, day or night, but on the contrary a benefit; for I have been more able to work now than for some years past, and attend to work regularly on my farm. The ——— is taken off one side; the other *continued with the hope of cure, but as I am sixty-two* years old it will take longer than in young persons. I further state that it kept up my bowels to their proper place.. Attest GEORGE CROW.

JOHN BUTLER.

N B. I also certify that while the Truss remained on, I worked without any inconvenience whatever, on my farm such as cradling, reaping raking and binding etc. I performed with more activity than I have for many years.

This is to certify that Wm Adair put on my son John, who was ruptured, one of his Trusses, and were it thirty days when he took it off, and on examination, I have every reason to believe he was cured in that time. Given under my hand this 3d day of April 1835.

ISAIAH PLUMMER.
Cynthiana, Feb. 10, 1835.

This is to certify that I applied to Wm Adair to cure a black boy of mine that was badly ruptured on both sides. When a Truss was applied it cured one side in 19 days, and the other I believe will soon be well. I have no hesitation in recommending it to all persons who may be afflicted in a similar way. Given under my hand this 10th of February 1835. JOHN MOOR.
