WILLIAM W. THOMPSON'S PATENT IMPROVED LEADEN PIPES.

THE manufacturer, residing in St. Louis, Missouri, invites the attention to the excellence of his leaden pipes made by a new and patent process, by which he has the exclusive right in the entire district of country west and south-west of the Alleghany Mountains; for a better quality than can be produced by any other process hitherto known. The pipes are remarkable for its uniformity of the bore, the accuracy of the bore, the perfect polish of the interior surface, the absence of seams and flaws, the very long length without joints, for its general strength—These advantages will be evident to any body upon examination.

Leaden hot metal stone from one-eighth to five inch in bore, he manufactures also, for the use of farmers and others, very handy leaden pipes for conducting water from distant springs at any distance upon under slight pressure or head of water, and for other purposes

IN BANKRUPTCY United States District Court—July 14, 1843.—Reports of the commissioners in the following bankrupts, to wit:—No. 209, Charles Fonda, No. 181, Gottob L. Wagner.

The court having referred the estates of the several bankrupts above entitled, and numbered on the docket to the commissioners to make a report thereon prior to the 4th day of September, 1843, and the time allowed creditors who have proved their debts, prior to the said reference, and they having reported on said estate in conformity to the provisions of the bankrupt law, and delivered said reports in each of the said estates he had on Thursday the 27th of July at 10 o'clock A M, when all the creditors who have proved their debts, the bankrupt, and other persons in interest may appear and show cause, if they they have or can, why the said reports should not be homologated and the funds distributed in conformity therewith, will be sufficient to meet her obligations. Therefore, the finance committee have thought proper to submit to the consideration of this council the following resolutions, which they trust will be sufficient to induce the holders of the small notes to come forward and receive from the treasurer certificates at one year, bearing ten per cent interest, of no less denomination than five hundred dollars each.

Therefore, be it resolved, That the treasurer of public moneys and disbursements be and is hereby authorized to issue certificates signed by him and countersigned by the treasurer of the police department, to all persons holding the small notes issued by the late shinplaster bank of Louisiana, provided that said certificate shall be of no less sum than five hundred dollars.

Be it further resolved, That on all certificates not presented at the expiration of the year, the holder thereof shall not be entitled to receive any more than the interest for one year.

Be it further resolved, That this ordinance shall only be in force during two months from the date of its promulgation.

Be it further resolved That the small notes received in exchange of certificates shall be immediately cancelled and destroyed by the committee already appointed for that purpose.

[Signed] PAUL BERTUS, Recorder.
Approved 21st June, 1843.
