OFFICE 83 CHARTRES ST.

admit that Mr. Stramm's speech was particulation. Congress a Yellian sew States, says the Constitution would be seen as the conditions being a continuous poly indiapanable thats and a republican form of government. But the practice of Congress has been to admission that and a republican form of government. The speech of Mr. Summer was exceedingly insulting and the article in the Constitution will be organic law. If, then, Deserts possible to organic law. If, then, Deserts possible organic law. If, then, Deserts possible organic law is the organic law of the organic law. If, then, Deserts possible organic law is the organic law is the organic law of the organic law is the organic law is the organic law of the organic law is the organic law. If, then, Deserts possible organic law is the organic law of the organic law semider life article in the Constitution since and to admit erest State which complies per the organic law. If, then, Deserting the organic law. If, then, Deserting constitution are constitution, we cannot conceive of any valid objection to her admission based on the peculiar accial customs of her people.
