

I DON'T KNOW WHY

But I need a reason.
To love you until I die.

2) Want you to be mine,
Want you forever,
I hope that one day you'll love me.

Chorus :

I don't know why,
You make me so crazy ô,
I don't know why,
I hope all the time
That one day you'll be mine

3) And I don't know why,
If it's an illusion,
To live a wonderful dream.

4) You farget me sometimes,
I forgive, I forget.
I hope that one day you'll love me.

Chorus :

I don't know why,
You make me so crazy ô,
I don't know why,
I hope all the time
That one day you'll be mine

And I want to know why yu can't to be with me
I want to know why you can't to be mine
