June 19th is Juneteenth, a holiday that celebrates the official end of the trans-Atlantic slave trade. Unfortunately, there are brothers & sisters (targeted individuals) of all races and nations whose freedom is being stripped away through terrorist activities like organized stalking & electronic assault. We fear everyone will suffer such abuse if it goes unchecked . There is presently no protocol for investigating these crimes and those targeted by it can suffer from it literally for years. Join us in a helium balloon release on June 16, 2012 at 2:00 pm EST (from anywhere) or by displaying one red and one black helium balloon outside your home/car/business to bring attention to their plight. Cards to attach to balloons can be downloaded at Scribd.com or you can email a request for the cards to RA11YTH3P30PL3@yahoo.com. Visit www.rallythepeople.webs.com. The cost of the cards, balloons (and helium tanks, if applicable) are tax deductible as donations to Freedom From Covert Harassment & Surveillance. Email for additional information.
