REMOVAL.

SULPHUROUS BATHS.

OCTTOR RENOU. has the honor of informing his colleagues and the inhabitants of New-Orleans and of Louisiana, that he has removed his establishment of Suplurous Baths from ..., ann Street, No. 122 to Barraks Street No. 156, at the corner of Burgundy in the house lately of cupied by Dr. Formentes:

It is generally known, how much benefit is obtained by sulphurous bath in cutaneous diseases, rhumatic complaints, palegia and other serious complaints, it is acodless to quote here the numerous instances of immediate cure and relief afforded by the application of that remeby.

Mr. Renou has availed himself of his removal, in constructing a new apparatus and making his establishment free from any hind of ropreach that could have been made to the former one.

The room for the reception of white people is totally separate from the one fixed for negroes.

His new ladgings afford him the means of receiving certain number of sick persons wishing to board at his house.

He has provided a specious buspital, and his house being situated in a cetired part of the town less crowded with houses than others, makes the situation perfectly wholesome.

Prices for 12 Baths.

For treament of negroes per day, 1 . Doctor Renou will however take with the persons who will apply to him all possible arrangements.

Doring the last year of his practice in Paris, Doctor Renou has been intimate with the celebrated Dr. Ducamp inventor of the most efficient method of curing ischurgs (retention of wring,) and he had especially addicted himself to the treatment Reference, to Mde.
