

| Combinations of Casual Attributions | Reasons Students Give for Failure               |
|-------------------------------------|---|
| Internal-Stable-Uncontrollable      | Don't have the required skills                  |
| Internal-Stable-Controllable        | I never study because I choose to party         |
| Internal-Unstable-Uncontrollable    | I was too sick hand in my paper on the due date |
| Internal-Unstable-Controllable      | Did not study for this particular exam          |
| External-Stable-Uncontrollable      | School has tough requirements                   |
| External-Stable-Controllable        | The instructor is biased                        |
| External-Unstable-Uncontrollable    | Bad luck  |
| External-Unstable-Controllable      | Friends and family failed to help               |
