OUERNOR.
J. B. DAWSON.

New York papers to the evening of the 16th instant, and Washington to the 18th, were received by yesterday's northern mail.

At New York the cholera seems to be on the increase. The number of new cases on the 15th was 113, with 59 deaths; on the 16th there were 163 new cases, with 94 deaths. . It was slee extending itself in the naighboring towns of New Jersey, and two cases had been reported at Philadelphia.

To make room for the important intelligence received by the Francis I, at New York, from Havre, we are compelled to lay over every thing political which had been prepared for our paper of this day.

The packet ship Albany which sailed from New York for Havre on the 14th inst., when off Montauk point was discovered to be on fire in the hold, and in mediately put into Newport.
The fire is supposed to have been produced by spontaneous combustion. The ship will have to be repaired before proceeding on her voy-

but plain unvariabled facts, with legran deductions, seem to be left to Mr. Hill. He had been, on the fleer of congress, the stern and able opposer of high taxes, or, in, other words, of Mr. Clay's system, alsheigh, if the policy of the letter gentleman were connected and and his doltrines were correct, Ms. Hill would suffer seach from a reduction of protective flettes on account of his large investments in manufacturing establishments. The veterans of the revolution have found in him a fast friend—just such a friend as they raight expect bus who has been well styled the 'rock of N. England democraty."

In the veterans of the revolution have found in him a fast friend—just such a friend as they raight expect bus who has been well styled the 'rock of N. The campande referred to above proceeded from the England democraty. but plain unvarnished facts, with legical deductions, seem to be left to Mr. Hill. He had been, on the flear of con-

set; having more this suntained during our segminance withst; the well-seraid sharecter as a literary journal. We have been swere all blong, as we are informed by the editors in their less temple, with the Micro have been for vorite medium through which gentlessen of lesions and extensive sequinessally, in New Tork city and elsawhersh have chosen to refiget themselves, sucquistic; and it is the been cause of frequell recycle to us that the neighbour decay and the sweet all strengths to grash on he cannon age; the same of frequell recycle to us that the neighbour decay and the sweet all strengths to grash on he cannon age; the same of frequell recycle to us that the neighbour decay and the sweet all strengths to grash on he cannon age; the same of frequell recycle to us that the neighbour decay and the sweet all strengths of the same of frequell recycle to us that the neighbour decay and the sweet all strengths of the same of frequell recycle to us that the neighbour decay and the sweet all strengths of the same of the same of the same and propried to the same of the same of the same and the composition, the same of the same and the composition of the same of the same of the same and the composition of the same set; having more than sustained during our acquaintance withtwo pieces of cannon. The newly arrived troops im withit, its well-earsed character as a literary journal. We

varies were broken in pieces and unrown at the windows of the bosse in which the date resided.

The precuring passed through several streets the particular teacher having passed through several streets in the passes of the crosses of the passes of the passes of the passes of the crosses of the passes of the crosses were thrown a partial veil over its operations, and the state had nembered from other descriptions of the passes of the crosses of the crosses of the crosses of the crosses of the passes of the crosses of the passes of the passes of the crosses of the passes of the crosses of the passes of th

ed in this affair; the latter were placed in temporary ambalances formed in the passage Saumon.

The king arrived in Paris from St. Cloud in the evening,
and immediately had a council of ministers, after which he
reviewed the troops of the line, the National Guards and
the stillery; he wasmost enthusiastically received, and the
whole troops appeared actuated by the firmest determination to-put down the rebellion by the most energetic means.

In the course of the night scale were placed on the presses of the Tribune, the Quotidienne, and the Courier de l'Europe, by orders of the police, and those Journals have
coursequently not appeared.

of lint night and this morning led to an anticipation

The main democraty.

The Main First Mirror, communicate a new volume (the Pont Notre Dame, opposite the Rue des Argis, in which a considerable antaber of the insurgerill had take the occasion to say that in me respect, thus far, but disappointed the high expectations raused at the outer of the line were soon sent to their relief earlying more than austrinated during are accomminance.

laces.

The tennel, in the French capital took place on the 5th of Jens. It was occasioned by the funeral of general Laked place, including some persons of standing. A narque, which the French liberals determined to emperate with as such some possible, with a view, it is said by their adversaries, of producing an invidious contrast between it and the obsequies of Casimer Perier. The government, desirous to countersit the preparations for such a display, forbade the students of the Polytechnia school to mained at name, and took no part in the proceedings of the day, are to be admitted in the reorganization of the day, are to be admitted in the reorganization.

The control of the co

ments were made in the House of Lords, and it was pade in the House of Lords, and it was sent back to

We neglected to notice the recent attempt of the coalition of the Schate to whitewash Mr. Poindexter, by making him President pro. tem. Mr. Calhoun, before he left the Senate, frequently called Mr. P. to the chair, by way of reconciling the body to his appearance in that position. We suspect he was promised this honority promotion wheth he joined the coalition, and the Chy phalanx most inflaxibly redgemed their pleages to him. We do not believe he libet one vote of the whole Clay party. Those heavest gentlemen, we have no doubt, had snother mostly besides that of paying the quid pro quo. They attempted to degrade Mr. Ward, Mr. Freritt, from the 6th, and Mr. Blayers, from the quid pro quo. the Caliphof Bagdad, Cindeville, and the White Left;

The first number of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume, is enablished with a smooth of the 19th volume and the 19th

with as much some as possible, with a view, it is said by thesis adversaries, of producing an invidious contrast between it and the obsequies of Casimor Perfer. The government, desirous to counteract ithe preparations for such a display, forbade the students of the Polytechnia school to the troops forming the garrison of Paris to act in case it should be necessary. The funeral was attended by great annihilation of the Rational Guard, and by a was concerns of citizens, while an immense crowd pressed around the procession on either side. Some neglect on the propagation of the Rational Guard, and by a was concerns of citizens, while an immense crowd pressed around the procession on either side. Some neglect on the propagation of the Rational Guard, and by a was concerns of citizens, while an immense crowd pressed wound the procession on either side. Some neglect on the parishment of the flustry of the Sward should be accessed as it passed, and the regist of the Polytechnia schools. These perfect will be added to the word of the Rational Guard, and by a was concerns of citizens, while an immense crowd pressed around the procession on either side. Some neglect on a part of a population of the day, are to be admitted in the reorganization of the past place. It is glessified by believed that the Republicans have been part of the Polytechnia school to the past of a population of the second of the Rational Guard, and by a was concerns of the past of the Rational Guard, and by a vast concerns of the past of the Rational Guard, and the reorganization is used and that the word of the reorganization of spleen and doubt the word of the Rational Guard, and by a vast concerns of the past of the Rational Guard, and by a vast concerns of the past of the Rational Guard, and the reorganization is the past of the Rational Guard, and the reorganization is the past of the Rational Guard, and the reorganization is the past of the Rational Guard, and the reorganization is the past of the Rational Guard into a population of the past of

feel for theeles. "It is not good for man to be alone"—
was spoken by Him who well knew what was in man,
and what must his pathway through this rate of tears'
want wouldest his need of reciprocasteeling, and asaise him to carry life theavy burden along the dreary
roll. There is a little mercy for poor fallen man, even
in this wilderness of blasted delights; and there are
some of the drops which kindly fall upon us: The
mingling of wees with one another—the drying of tears
from the face of the comfortless—and the acattering
of little henefits, in the way of those who have none to
pity. There is something in the most hard hearted whole torog appeares at tension by a most energitic matern. In the president of the United States have been only and the states of Louisians a large of the Questions, and the Surgery of the Questions are the Course of the Course of the Questions and the states of Louisians a large of the Questions are the proposed for the State of Louisians a large of the Questions are the states of Louisians a large of the Questions are the states of Louisians a large of the Questions are the states of Louisians a large of the Questions are the states of Louisians a large of the Questions are the states of Louisians and the states of Louisians a large of the Questions are the drying of term in the state of Louisians a large of the Questions are the drying of term in the state of Louisians a large of the Questions are the drying of term in the state of Louisians a large of the Questions are the drying of term in the state of Louisians and the control of the Questions are the control of the Questions are the proposed of the state of Louisians are the control of the Questions are the proposed for the state of Louisians are the control of the Questions are the control of the Questions are the control of the Questions and the control of the Questions are the proposed of the proposed of the Questions are the prop

that asks not how it will be received; but content with the privilege of bestowing, finds its own reward in the exercise. Then who would be satisfed to grope his passage through life, like the sloth which never moves unless impelled by hunger, and meet no object made a uplier by his existence?

PUBLIC MEETING—SEVENTH WARD.

At a large and respectable meeting of the inhabitants of the 7th Ward, held at Mr. Harvey Norton's on Saurday evening, 28th inst.

Saurday evening, 28th inst.

Resolved. That the chairman of this meeting appoint 3 persons of this ward, to durant resolutions contended to the Chair, and John M. Bach, Secretary, when the following resolutions were unanimously adopted;—I. Resolved. That the chairman of this meeting appoint 3 persons of this ward, to durant resolutions contended to the Chair, and John M. Sach, Secretary, when the following resolutions were unanimously adopted;—I. Resolved. That the chairman of this meeting appoint 3 persons of this ward, to durant resolutions contended to the chairman of this meeting appoint 3 persons of this ward, to durant resolutions contended to the chairman of the Syndic, the enor-call of the Syndic of the Syn

The President's Bank Veto, has excited a most animated debate in the Senate. Scarce a word could be extorted from Mr. Clay or Mr. Webster before the bill was returned with the President's objections.

The urged no arguments to enlighten his mind before he had acted. Some imagined that their sileace was produced from a feeling of delicacy. That byth having been the retained Attorners of the Bank, they declined appearing in its cause, from the fear that their extritions might be ascribed to the professional interest they felt. And Mr. Clay especially, it was supposed, from exerting his powerful eloquence in its bahali, east it is should be considered a means of securingits potent in should be considered a means of securingits potent in should be considered a means of securingits potent in should be considered a means of securingits potent in should be considered a means of securingits potent in should be considered a means of securingits potent in the profession of carrying the charter, the Castor and Polikx of the East and West, have leaped into the approaching election.

But now, since the President's objections.

The constituent of the Syndic, the enorogeneous tax levied by the council, againstate inhabitants, and were appointed by the chair, and to appoint of the first of the second of the first of the second of the first of the second of power on the part of the Meyor and a portion of the

city council.

2. Resolved. That the appointment by the Mayor of citizens of another Ward to assess the taxes on the citizens of this ward, is an express violation of the odinance of the 10th November, 1831, and betrava thinciple inadmissible among freemen, and to which i
