

- My cousin is called Jesus Cornelio was born on August 21, 1992, “Light” in the hospital.
Today is 18 to 19 years old, is at the Polytechnic University in Madrid, is studying INEF is a copy boy at school, on a high note in selectivity.
Is a born athlete, is playing football in the Club Real Madrid C, he trains every day except Thursday in Valdebebas from 7 pm to 9.30 at night, it was expensive when I had to go to school because he was just time to study, but now has more free time.
- I'm sure will become a major player in the next few years.
Every summer we go to the beach and there always play football, when we play with our friends, Jesus is always above all and I'm proud of it.
