who represented parishes that east large majorities for Baranson and Tries. It might have been thought that a party which bons's such extragridinary love for

The inauguration of General Harrison will be followed by such an exposure of the foul practices of the present administration as will leave the Vanites without a boye; and bence they are striving to raise do mestic issues upon which to fall back.

The "poll tax" is one of those propositions which disguise attacks upon the spirit of the Constitution under a plausible adherence to its letter. Between the two nearures, we would infinitely prefer the convention till. The vaters would have an opportunity of believes the selection of the selection of the convention till. The vaters would have an opportunity of the convention till.

rae the actual majority in the city for Whits. Ther 134 Manual Witten's majority of land votes to be 134.

who wing witters a majorny of tanal votes to be 134. Now by deducting 134 from the actual wajority, it will be seen that the whig candidate received by the nstitutional tax paying voters a majority of 985. The vote of each party was greatly increased, and From the above statement it will be perceived that the land vote of each party in November was nearly equal—the difference being in favor of the adminis-tration party 53—the discrepancy between the result of the tax vote in July and the total vote of Novem.

The administration party, therefore, so far from attributing the success of the whigs in New Orleans to the land votes, may congratulate themselves upon having outmanaged their opponents in this particular

er of the 12th sava: "THE NEW ORLEANS MAIL -We were shown yesterday, a fetter dated New Or cans, Dec. 19, postmarked the same date, and re sived only a few moments before it came under ou gentleman to whom it was directed, in the absence fadvices, had to incur the expense of a trip to New Orleans mut week, which that letter probably, might ave saved."

ourse commenced on the 11th inst. The first day's ace was ran by Head & Smith's chesnut mare Gid listrees, beating Sir Charles and Eloise. The great sweepstakes of a thousand dollars er subscribers, with the addition of a cu

alued at \$500, by the preprietor, came off over the assemb course, in Mobile, on Tuesday last. Three norses came to the post: viz: Hestwind, by Chateau Margaux; Hanner, by Sir Charles; and Ruby, by Riddlesworth. The race was won by Westwind in We heats; time 8.21—8.20. Track exceedingly heavy
