MONDAY MORNING, OCT. 22, 1866.

which outrode the recent as well as several previous storms.

Why will you allow yourself to be prospirated, your systems completely energiated by the giant serides of that most painful of Discass—DYSENTERY, when you can be completely cared, by using one bottle of the cole brated preparation called MARSDEN'S CAR MINATIVE SYRUP.

Those withing superior pictures, cannot do better than to call at the gallery of Mesers. Turber & Coben, 57 Camp street. They have secured the services of Mr. E. M. Howell, as operator, and Mr. Reichman as people artist, both having high reputation in the business. The smallest ministeres, suitableffor watch dials, as well as fall life-sized portraits, are taken, all under the supervision of Mr. W. A. Coben.

FRENCH AND ENGLISH LADIES' AND GEN-LEMEN'S GOODS.—MORES. Marbury & Fors-FRENCH AND ENGLISH LADLES' AND GEN-TLEMEN'S GOODS.—Messers. Marbury & Fors-ter announce that they have just received and are offering at the very lowest prices an exten-sive amortisent of French calleose, corrests, mualina, laces, shirts, cassimerse, cloths, silks, blankets, hogisty, etc., together with a variety of English glass, at their store No. 46 Chartres street. See the advertisement.

The impost collections of the city of New Orleans for the week ending October 10th,

the week ending October 20th, amounted to \$197.493 55 in wold. THE STATE PEPARTMENT A

The office of the United States Secretary shall be the negro's master and as to the methods and real or professed objects of cou-com. The State Department chimes in with the theory and the practice of the Bureau, and hastens, on the hint of a Cousul in Peru that a roject was on foot for an emigration of black-rom the United States to the former country

or the policy of this proceeding. It may be hat there are reasons touching the welfare o hose black families—be they two thousand, of en thousand, or not a dozen—who may co dissuade from the ill-advised movement vould be an obvious duty of humanity; and it he dissuanive appeal should fail, those person-vould have themselves to blame alone for the

Again, suppose that there were reasons of an-economical nature for not destring to see a exodus of black families or white families from-the South or from the North, destined for any foreign consury, under any commercial arrange ment or with any industrial mission. If the interest of the commerce and industry of the United States in sither section would be per-judiced by the emigration, it would be perfectly proper and legitimate for the Government, it any of its branches, to discourage, by dissuasiva-aryuments, the prosesution of the project. rguments, the prospection of the project.

In either case, there would be no denial o the freedom of travel, the freedom of comme rial enterprise and industrial engagement, or relation to the real or imaginary project migration of two thousand families of negrorom this country to Pera, evidently refers The sales for the last week or two have been very great, and an interruption from fire would the repudiation of all distinctions of color, and the inter reproduction of caste and slass based out of thinked diversities and natural inequalities. In there is any virtee or force in this principle the Government has no more to do with the going and coming, the immigration, the emisration, the dominimization of black white manent home in a foreign land. The fundamental principle of the Civil Rights bill is trapodiation of all dissinctions of color, and the inter reproduction of casts and class based on ethicial diversities and natural inequalities. I there is any virtue or force in this principle the Government has no more to do with the going and coming, the immigration, the emigration, the doministiance of black persons than of white prevents, in any of its branches, interfering to prevent a pasceful department of white travelers or emigrants destined for any part of the world. He Department of the Governments has hereafted seems fit, in the interest of individuals, or of the comment, to the dovernments has hereafted seems fit, in the interest of individuals, or of the comment, to the flowernment has hereafted seems fit, in the interest of individuals, or of the comment, to the purpose of stopping white gates on inhabitants from going abroad to perpose the commercial enterprises or perform influstrial engagements. The present states that the ended in the same influstrial engagements. The present that the interest of individuals, or of the comment, to the purpose of stopping white parts of the purpose of stopping white purpose of stopping white parts of the purpose of stopping white purpose of stopping white parts of the purpose of stopping white purpose of stopping
