but only successed in this instance.
We could write columns of praise in favor of this elegant artist and estimable lady, but have only space at present to day that this being her first appeal to dureitizens. There will be a crowded house.

Dr. Howard, at the time of his seizure by the Spanish Government, was a citizen at the United States? If he was then the conceeded that there had been a violation of his rights as a citizen in the matter of his triat, and that the Spanish Government was bound, under the treaty of his triat, and that the Spanish Government was bound, under the treaty of 1795, to furnish the United States Government with a copy of the record of the avernment with a copy of the record of the avernment which is had convention to day.

Comment of the Latest Disputches of the avernment which is here.

rect damages would be injected into the American olaim. He was convinced that a waiver of such claim would be applieded by every na-tion, at would in before to the Great Republic
