About

Our Mission

CubeMe stimulates your creativity by providing you all the craziest, thoughtful, creative, original source of inspiration. Our team wanders across the universe to bring you the best realisations and projects in the field of Architecture, Art, Fashion & Technology.

Since 2005, we have developed a community of readers who comes daily to draw in CubeMe food for thought. We put at your disposal the Daily! most creative data base to boost your mind. CubeMe pushes you around for you to become 'the source of creativity' for the other thus creating a dynamic chain.

RESERVE A BLOGAD

Shan Tara Feuerlein, founder of CubeMe bathes in the world of creativity from an early age, working as a model, as designer, she has traveled the world stopping at each striking detail. Shan Tara wanted to create a universe where all this creativity could be share, a platform of exchange to share with you and to stimulate 'Crazy Minds,' a community of readers, publisher and contributors who adhere and share brainwaves to improve our daily life.
