**A Word From The Museum District Development Association of Houston**

Simply by participating, you are helping the Museum District Development Association of Houston to create an exciting and beautiful destination point for Houstonians and visitors alike—the Museum District.

Our goal to provide a closed loop transportation system for the Museum District is accomplished with the inauguration of the METRO 34-Weekender. For more information about the Museum District DAH and our other goals, call 526-0808.

**A Word From METRO**

METRO is pleased to participate in the "Raiders of the Lost Art" Treasure Hunt and to introduce you to the 34-Weekender. Improving area mobility and participating in economic development are two of METRO's goals.

You can enjoy all the shopping, entertainment and cultural attractions of the Museum District without fighting traffic or worrying about parking. Call a METRO information operator at 635-4000 and let us help you plan your next trip. We hope you will make the 34-Weekender a regular part of your weekend.

METRO—You can get there from here.
