

Le conformateur Peyry

A LA NOUVELLE-ORLEANS.

Nous avons l'honneur de vous annoncer qu'une branche de notre Académie Nationale de Paris, France, pour coupe de vêtements, est ouverte à la Nouvelle-Orléans, 2001 avenue St-Charles...

S'il est une institution dont la Nouvelle-Orléans ait besoin, c'est bien une Académie de Coupe de Vêtements pour hommes, femmes, enfants...

Cette invention rivalise avec la machine à coudre quant à son utilité, et toutes les personnes qui s'intéressent à la coupe, à la confection et à l'élégance des vêtements des deux sexes, trouveront ce système scientifique d'une grande valeur...

Le "Conformateur Peyry" est un système d'une grande précision appliqué à la coupe des vêtements, avec ou sans coutures. Il fonctionne de deux manières: s'ajuste aux mesures prises sur la personne et se conforme à toutes les courbes et lignes du corps...

Nous faisons une déduction de \$1.00 à chacun de nos lecteurs du journal L'ABELLE qui se présenteront ou qui enverront par la poste un coupon de l'Abelle.

Les personnes ne pouvant se rendre à l'Académie apprendront le système par correspondance. Pour tous renseignements, s'adresser par lettre à l'Inventeur, Jean B. Peyry, Post Office Box 570, ou en personne à l'Académie, 2001 avenue St-Charles, N. O. Lae.

Des représentants sont demandés pour l'Amérique et l'Europe.
