Correspondence of the Boe.

Washington, February 20th, 1848.

We have intelligence from Mexico this morning, confirming accounts which arrived last exenuing, of official propositions for peace. The terms are said to be nearly similar to those, which Mr. Trist was originally authorised to offer, with the stipulation of a standing army of 10 company to the resear-making

We have intelligence from Mexico this morning, confirming accounts which arrived last evening, to difficult propositions for peace. The terms are said to be mearly similar to those the confirming accounts which arrived last evening, to difficult propositions for peace. The terms are said to be mearly similar to those of 12,000 ment, to protect the treaty-making (Lovermaent.

Without investigating the abstract merits of the quadification of a standing army white quadification of a standing army white the quadification of a standing army white improved. According to the laws of Nations, attend the quadification of a standing army white improved. According to the laws of Nations, attend the proposition of superior force is not valid. This was a topic of the different possession of the control of the proposition of superior force is not valid. This was a topic of the different possession of the control of the possession of the different possess

diran precedent to negotiations, has been to subdivise with a raise.

Will the President submit these proposals to the Senate! This interrogatory is full of norment. One thing is certain, he mest now converte the feathers of consider the hericas were suspended in was called, and the senate of consider the particle of the senate of the s

his Administration? They authorized them sold they alone must abide the just accountability.

Much feeling and comment has been excited the soleal the soleal and political circles of this Circley to the finding of the Coart Marinal, in the case of Col Freimont. He has been converted of everycharge preferred, and condemned to dismissed, as the lesser perality, at the discretion of the tribunal, before which he was trivial to the evidence substantialing the grave alliest on the evidence substantialing the grave alliest on the evidence substantialing the grave alliest of the was trivial. The President disagreed with the Court, as to the evidence substantialing the grave alliest of the was trivial to the evidence of corders, and disrepect to superior officers, then remitted the penalty and restored him to his command.

This whole proceeding grew out of a conflict of a district between Com. Stocation and Gen Kearney, occasioned by the neglect of the War Department to dissiling its duty, by providing for the right of command in the event of this or earliest of command of claims. Col. Fremon they not a longitude to the right of command in the event of this or earliest of the condition of claims. Old. Fremon this some extension of claims at Washington and not with I remout, and this might have alroaded some extension of the property of their version.

The trait was at Washington and not with I remout, and this might have alroaded some extension before the Court. They were the condition of the other and the court of the property of their version.

The trait was at Washington and not with I remout, and the might have alroaded some extension being motified of the other and the court of the court of the court of the other extension of the property of their version.

The trait was at Washington and not with I remout, and not suggested to prove the court of the property of the property of the property of their version, as an another extended to fulfill their objective them and the property of the property of the property of

Sudden Bilmene of Mr. curs.
A mourthil and aguitaing even the House of Representatives yes ay, which, is the news of it spread throughout he city, encouraged all thoughts and filled all hearts with wimpathy. First District Court.—William Graham charged with larceny, was yesterday put upon his trial, and was found guitty by the jury. The Sheriff is now occupied with the drawing of a large lar

RECORDER SELEMENT—Mrs. Ann Dorsey, yesterday, made an affident before Recorder Seuzeneau, against a discharged Volunteer named Francis Dorsey, accusing the latter of having, on Tuesday evening last, entered her permises, aituated on Mandeville atreet, and carrying away a sum of thirts eight dollars. The prisoner was brought up before Recorder Seuzeneau, who damissed the case, at the request of the complainant between the stolen imoney having been restored to her.

Assauring an Oppings.—While officer Exerct, of the Second Municipal by was convey-

Stratus Stransino—Abent ten o'clock, on Tuesday might last, a man named Jean Bapute Avingno, while waiking on the Lever, nomediately in front of the First Municipality Ferry, was seriously subbod by Jernie Boure, with a long bladed kinfe. The wounds took effect on the fleshy parts of the arm, and on the left breast; they are not, by any means, dangerous. Boure was mineducely arrested by the First Municipality police, and was yeared as boure with the form Municipality police, and was yeared as bounded man, who is unwitting to procure floure. They are both front Genna, in Itality, and have heretolore been minimate friends.

A Frostrice factor Jessee, —Isaac, Bouningdale was yesterday arterested by the First Municipality, and have heretolore been minimate friends.

A Finitive room Justice, —Issue. Boomingdale was vesterday arrested by the First Municipality police, as a lugitive from justice from the State of South Carolina, where, it is said, he committed a large forgery. The presoner was sent to prison subject to the orders of the Governor of that state.

General, Colneil.—The Council met last evening, and, elected, for its President, Mr. Haines, the member, from the Second Municipality.

emphatic manher. The attack was believed, at first to have been a fauting fit; but this sleas soon gave place to the appalling conviction that it was a recurrence of parasysis, which has twice before affected Mr. Anam, though in a milder degree. Very slight hopes are entertained of his recovering. Mr. A. attained his eighteith year in July last.

At eleven ociock last night, the venerable sufferer suff lay in the Speaker's chamber, insensible to all raternal robjects, but apparently more comfortable, and his symptoms giving the property of the sufficiently by this morning to bear removal to has own testdence.

As soon as the news of the painful occurrence.
