

COMMERCIAL.

CHURCH'S NEW ANTI-INFLAMMATORY BRIANT'S ANTI-PHLEGMATIC SYRUP

MANUFACTURED IN Paris, St. Louis, & New Orleans.
The Syrup is prepared especially for the treatment and prevention of diseases of the lungs, bronchial catarrh, &c., & is recommended by the most distinguished Physicians, members of the Academy of Medicine and Professors of the Faculty in Paris, particularly by M. Meunier, POQUELLE, BOURG, GUERINANT, and others.

The Manufacture was founded in the discoverer, after an examination by M. THEINARD, DARCIET, GAY LORIOL, and ARAGO, members of the Institute of France.

A FAIRABLE REPORT presented by the Royal Academy of Medicine, in which it is acknowledged to possess all the properties of a good phlegmatic syrup.

Quis res ipsa, M. CHEVALLIER, O. HENRY, and LASAIGNE, well known chemists, call attention to the report on BRIANT'S ANTI-PHLEGMATIC SYRUP before the court of justice.

It is also used with equal success in cases arising from all kinds of obstructions and inflammations, such as:

BLEEDING OF BLOOD, CROPS, HAEMORRHAGE, DISSISTERS, &c., &c.

It is every body's opinion that the physician of L. LAMOUDOUX and PUIOL, the late Dr. VILLEMIN, and BRONTE, Paris, highly commended the Syrup.

DEPOTS—In New Orleans, in every Pharmacy, and especially in those of P. D. PHILIPPE, Pharmacists, in New York, by Fournier Brothers, M. LEVY, and J. MILLET, Druggists.

NOTICE.—Orders at wholesale may be forwarded to M. GAILLARD, Commission Agent for the drug trade.

PHARMACEUTICAL SPECIALISTS.—**WALSH-MILK SOCIETY**, St. Louis, Manufacture Specialists.

DIRECT INTRODUCTION OF IODINE INTO THE LUNGS BY THE

CHARTRouLE IODOMETER,

FOR THE INHALATION OF THE VAPOR OF IODINE IN THE TREATMENT OF DISEASES OF THE LUNGS.

General Dept. of Paris, BOULEVARD DE SEBASTOPOL, No. 4, opposite the CHURCH OF ST. LEO.

PARIS.—Every body's opinion is that the inhalation of iodine vapors is very advantageously employed in the treatment of diseases of the lungs, particularly in consumption, and the best evidence of their value.

Consumers are very much improved throughout Europe, and particularly by the inhalation of iodine vapors.

With respect to the vapor of iodine, it is demonstrated in details on exhibition by the operator of the apparatus.

It is also made in the premises of our leading physicians, and in the hospitals of Paris and Salpêtrière.

Agents.—Dr. Léon Guérin, John A. Miller, Druggists, New Orleans, La.

NOTICE.—Orders at wholesale may be forwarded to M. GAILLARD, Commission Agent for the drug trade.

PHARMACEUTICAL SPECIALISTS.—**WALSH-MILK SOCIETY**, St. Louis, Manufacture Specialists.
