NOTICE—The public is informed that the partnership heretofore existing between Ed. L'hote and A. Marion was dissolved by mutual consent, on the 10th of June 1835.

Ed. L'hote is alone empowered to settle the accounts of the partnership.

Having given this opportunity to inform the public that he has recently opened in Bay St. Louis, opposite the wharf, an establishment known by the appellation of Bel air Hotel.

The advantageous situation of this hotel, its proximity to the landing place are too well known to require further explanations.

Madame L'hote justly appreciated by the great care she always took of her boarders, and by the attentions she paid to her ventures in all the public houses she has superintended as lately the Marine Hotel in New Orleans, will take charge of the interior department of the establishment.

Mr. L'hote will endeavour to give satisfaction to persons visiting his hotel, when he pledges himself they will find comfort, cleanliness, good fare and attentions.

He has engaged a good French cooks, transient and permanent boarders admitted, *Table d'Hote* with wine at every meal. july 2 Ed. L'HOTE.

MANDEVILLE HOTEL.

THE undersigned informs his friends and the public that on the 20th June, he will be ready to receive in his establishment all persons who may favor him with their visits, and receive boarders. To persons acquainted with the superb situation of the establishment, a description of it is superfluous, but the subscriber thinks proper to point out to the public its many advantages.

Mandeville is situated at about 20 miles distance from New Orleans on the borders of Lake Pontchartrain. The ground is elevated about 12 or 15 feet above high water mark, and the purity of the air excludes all contagious diseases. There is abundant fishing and plenty of game. All provisions, wines, liquors &c. of the 1st quality, and no trouble will be spared to afford comfort and pleasure to visitors. To that end the subscriber has provided boats, pirogues, fishing seine, horses, and a place for pistol shooting. Families may be accommodated with private apartments. Two steam boats plying alternately between New Orleans and Mandeville, and making the trip in 2 1-2 hours will keep up a constant communication. Bathing so necessary in the heat of summer has been provided. A large wharf makes the landing easy and safe.

☞ For the time of starting of the boats, see the advertisement of the steamboat Delta.

june 17 JOHN DAVIS.

MARIGNY HOTEL.

Corner of Victory street and the Pontchartrain Rail Road.

THE proprietor begs leave respectfully to invite the attention of the public to this establishment, which is furnished in a new and splendid stile, unequalled in this country.

No pains or expence have been spared, and the utmost exertions will be used by all employed in the house to afford as much convenience and comfort to its patrons, as any plan of the kind possibly can.

Boarders and lodgers will be accommodated in the most genteel stile, and the rooms are delightfully pleasant.

There is a neatly furnished saloon expressly for the accomodation of Ladies on the second floor, connected with which are apartments where Ice Cream, Soda Water and Confectionary are served to Ladies and Gentlemen every evening.

This will be found very convenient for Ladies and Gentlemen that travel on the Rail Road, who are too late for the cars, as a pleasant place to sit in, will be some compensation for the disappointment, and add to this some of the luxuries of this house will make the delay a pleasure—and for those who indulge in an evening promenade, this will be a most desirable resort.

The splendid establishment has been fitted up with great expence; and the proprietor has only been induced to incur the responsibility, from the knowledge of the fact that the citizens of New Orleans are second to none on earth for their certainty of rewarding laudable exertions.
