PRESIDENT OF THE UNITED STATES, HENRY CLAY,

OF KENTUCKY.
to the decision of a National Convention INTERNAL IMPROVEMENT

con made by the callector was a made of the said committee the said co inst themselves all the declamation they have in-ged in about a "faction opposition." It is the ad-instration party in the house, now, who deserve the most faction according to their own idea of the overapplication of that term to all who oppose the of the majority. The position of the SPRARRE is insere humiliating. Unless the service of party instrumental white him the source of every generous does, he must be humbled by the contrast between cutual on which he new stands, and that which evujsed at the opening of the session. Then he

to use an expression of Mr. Balie Peyton) as the supposed to exist in the heel of a negro who

of little or so importance, and principally of a character took up the bill of prohibit the give accepting, within the District of Columbia. or accepting, within the District of Columbia-hallenge to fight, a duel, and fife the punishment for The penalties are, in case of either of the is being stain or mortally wounded, against all strong parties concerned as principals or acc-t who may aid or abot therein, imprisonment infinement to hard labor in the penisentiary for the linear no mediag should take place between parties challenging and accepting a challenge, ase it should not terminate fatally, the parties will be held guitty of a misdemensor, for giving, but or accepting the challenge, and punished by some confinement for a term not execeding five

of reference.

Mr. Shirida, of Tennesses, moved to refer it to the

Unit:-
Py Mr. Heriert, act relative to the sale of cordials Ac., and to the slave laws.

By Mr. Downs, an act granting additional powers to police juries.

By Mr. Winn, an act relative to a certain law-suit, and, an act relative to a certain law-suit, and, an act relative to steam-navigation. In tween Entrope and N. w. Orleans.

The acts adopted were:—

The acts in the the

Two acts for the incorporation of two erphan asymms, by virtue of the testament of the late Alexander Milne.

An act to legalize certain acts passed in the pariet of Natchitoches.

An act relative to a young ladice boarding school in the parish of Ouachita.

An act relative to the perish of St. Landry and cer-

HOUSE OF REPRESENTATIVES.

Mesars Baillo and Pictor were excused on access of indisposition.

Leave of absence for a few days, was asked for Mr.

Leave of absorge for a few days, was asked for Mr.
Davidson
On motion of Mr. Thomas the report of the committee on elections was triven up; and on the motion
of Mr. C. M. Conrad made the especial order of the
day for Lucsday next.

Mr. Gatennie presented a petition to incorporate a
fire-company in N. O. Referred to committee composred of Mrasar. Gatennie, Rogers and Lockett.

The committee on finance reported a hill relative to
the police jury of Lakturche interior. And begget
to be excused from further consideration of the memorial of D-In. Wardner;
Mr. Wadsworth of the committee an petitions
and grievances begged to be eastwed from further consideration of a petition for remuneration by the state,
from a person that had discovered a cure for yellow
form.
Mr. Leckett from the general accurate of the con-

subject to the call of the nous, valied.

Mr. Rathiff introduced a bill for the relief of the district atterney of the disjudicial district.

Mr. Lockett introduced a bill to incorporate the Philadelphia Fire Epgine Co. No. 14. Referred to Committee. ladelphia Fire Engine Co. No. 87. Account of Minkite.

Air. Phelia introduced a bill for the relief of Edward Doughty.

Air. Lockett introduced a bill to amend the act relative to the sale of progerty to acrition &c. Also an act to differe more clearly the duties of Notare Public in the Parish of New Orleans, both of which bills were referred at the committee on indicates.

ore referred to the committee on judiciary.

The member from Acoyelles introduced a bill to ability a ferry seroes the Atchafayla in the parish o voyelles.

Notice of bills shortly to be introduced, was given the following another to be introduced.

aereafter.

On motion of Mr. Rogers, the rules were suspended in order to take upthe bill to expedite the construction of the Atchafalay arilfood, which was then ordered to tackind reafine.

of the Archestalay raifroad, which was then ordered to its third reading.

The bill was read section by section and with some few additions, amendments and alterations the bill pessed. By an amendment to the titiagreeds, an act to expedite the construction of the Atomalaya Raifroad and Barataria Lafourche cunal. After which the house adjourned. A'r The trial of Chauncy, Nixon, and Armstrong

E.' The trial of Chauncy, Nixon, and Armstrong, (botanic doctors) charged with murdering a girl named Eliza, terminated in Philadelphia a few days since, in a veglict of murder in the account degree against of Chaffnery and acquitat of Nixon and Armstrong. From the exist-fice in time case, as reported in the Philadelphia alips, Chauncey caused the death of the girl by giving her drugs to produce abortion. The details are too diseguating for republication. It did not appear that Nixon and Armstrong had any particular agency in assuing the drugs to be given, and they were counse in assuing the drugs to be given, and they were conserved to the control of the details are too diseguating for republication. It did not appear that fixed the drugs to be given, and they were conserved assuing from having made oath that the girl died of in-financian of the bowels. The tablomestic of the state of the product of the product of the state of the product of

they preside?

The undersignal do not hesitate to say that there would be no arbitrary exercise of power in these cases aboutted to make a such existence before him, that such was the opinion of the council, that it is a matter of surprise that he should have projected as in the surprise that he should have projected in a matter of surprise that he should have projected as major had descended information from the compression of a major had descended information from the compression of the major should be compiled with.

The mayor then proceeds to examine the relative powers of the councils of the manicipalities and his cwa, and concludes by maying that "no provision of the law of PRG has almost the mayor should take in almost to the part which the mayor should take in administering the finances of the city." He also says, the law of PRG divided the city into three sections and separated the rev mue, in order that it night be applied to the cans houstons stylenges in the place of one, and gave them the right to exercise, concurrently with the mayor, the functions of justices of the peace in criminal matters; but thus Le and hid it change the greekes order of things no power was taken from the exercise, mayor here assumes that the city of New Orleans was divided, by the law of 1826, finto three sections, merely for the object of appropriating the revenue of one section to its own provenue. He speaks of comparatively instead in previous order of things, no prover was taken from the receiving formerly for the object of appropriating the revenue of one section to its nature in the previous order of things. In previous order of things in previous ordered the receive only did it change the previous ordered things.

rity of justices of the peace in criminal matters; and that "thee fac only, did it change the previous order of things."

Who would imagine, on treating this, that the act of 8th March, 1856, annulled and adolished the ancient corporation of New Orleans except for liquidsing purposes, and that three distinct, and in every second particular, inclependent corporations had been created, over which there was to be one mayor with exceedingly limited powers! "Almost every important power vested-in the mayor, when he was the representative of the same constituents as the council, was taken from this when his relative position was changed, and he became the chief magistrate of three distinct and independent corporations, but in fact the representative of no one. The university sustains their justices. Act 8th March, 1856, sec. 2. That each non-incipality of said city shall be governed, and its official unknowned to the addrawal elected by the wards within the limit thereof.

GENERAL COMMISSION MERCHANTS, It Uthalf pipes Cognac, A Dussan, 3d proof, fine

general shall possess and exercise, within their respective finalis, all such powers, rights and privileges as are now possessed and exercised by the corporation of New Orleans.

Section 5, reasserts, that each ofthe municipalities shall be governed, and its affairs administered by a recorder and council, der Section 5, says, that the recorder and altermen of each municipality shall have all the powers, and performed by the city council; and heade, shall have the exclusive right to appoint all officers, dec.

Sections 2 and 9, define the duties and powers they council; and lesside, shall have the exclusive right to appoint all officers, dec.

Sections 2 and 9, define the duties and powers decreased in said act of the March, and sortions as were made in said act of the March, and sortions as were made in said act of the March, and sortions as were made in said exclusive right to make and powers they seem to be sufficient to the section of the section of

To fix uniform rates of taxution, except on real estate and slaves.

2. To fix uniform rates of the mayer, and accretary of the general council.

3. To make uniform regulations with respect to the manuscement and discipline of the city guard or watch.

4. To enact goodera police regulations. In restricting the powers of the three assembled councils, the restricting the powers of the three assembled councils are appendix tarres must be under the sole control of the councils of the respective numacionalisies wherein they originate, or are grequired to be made.

Section 93, says: "That each monnicipality shalt have a separate treasury and treasurer, the duties and qualifications of whom shall be defined by the respective conneils."

Art 11th March, 1816, 3d section, provides, that no union of the three corporations, created by the law of 8th March, sall take flace withbeautiful the or of 8th March, sall take flace withbeautiful the original content of the same of the same components. Art 11th marrin, 1800, on section, provides, that numer of the three corporations, created by the law of the March, shall take place without the consent of two thirds of the qualified voters, residing within the least of the three manaicipalities."
