PRINTER PALLS, PT P. BELLEY. NEW COLL ING, Monday, appli 21, 1821,

CITY COUNCIL.

Sitting of April 26, 1828.
As had been expected this sitting produced the greatest excitement, crowd of persons was collected about the doors and filled that, part of t Council-room reserved for specimers A peremptory mandamus from the 4,000 Court of the 1st District was transmitted to the Council by the Mayor, order-40 elected alderman of the 8th district.

Mr. Gordon proposed the question should be put for the admission of Mr. Harper, which was lost, there being hve votes in the negative, and four in the affirmative. The ayes and mays being afiled, it appeared that Mesers. Canouge, Lemonnier, Rodriguez, Cucullu and Fleytas, had voted in the negative, and Mesors. Gordon, Preston, La verty and White, in the affirmative.

On this occasion Mr. Canonge deliverd a speech, in which he shone po less as an elegant erator than a profound lawyer, and then proposed the following resolution in which are most lumisouch explained the motives that actuseed the majority of the Council.

Whereas the 6th Section of the Act incorporating the city of New Orleans expressly declares, that the Council shall be the judges of the election of their members.

of practice contains the following pro rision: "When the Legislative ha granted to a corporation the right to di permine the validity of the election of its members or officers, courts of justice shall not issue mandates for the purpose of enquiring into that facting

Whereas the Council, when they de cided upon the validity of the election of Samuel H. Harper, Esqr. and declared him not entitled to a seat in their at the same time, you do not give him most dreadful torments, singing this (the Bourton No. 178.) bady, did only make use of a power one particle of your confidence, nor wile and funeral song, has been pubwhich the law expressly vests them dues he seem by his manner to desire lished at Copenhagen by Mr. Rafin

> Whereas the right which the district court has assumed of enquiring into a fact, the examination and decision of which exclusively appertain to the Council, is a flagrant violation of a positive provision of the law, an encroachment upon the authority of the Council, and an autrage to the majesty the air with his long, bony arms, and

> Resolved, that the City Council, having solemaly passed upon the election know when he is about to discharge of Samuel H. Harper, Esq. do hold. under the sanction of the last, that no Tribunal has a right as a thes question anow; That, therefore, they do not recognize the jurisdiction of the ares District Court of this State. as sespects this question, and do actually refuse to aboy the order or mandate istued, or any order or mandate which might be issued from the said Court, and might go to invalidate their

From the Mobile Register of April 22. We gave yesterday the only items of importance from Turkey. The following remarks on Turkish affairs are

from the New-Times of 22d February.

The Gazette de France of Tuesday reached us last night by express. contains an article from Constantinople, which, if the intelligence be correct. puts an end to all l. pes and possibility of peace. The Porte is said to have at length dropped the mask which if had worn for so many mouths, and to have issued a Proclamation, worded in the most offensive language, to all the Cabinets of Christendom, in which is declares that it is a sacred duty to combat them, calls all Musselface to eruse, and even admits that its conduct hitherto had been intended to gain time, in order to prepare for a sangui A LOUER.
