GOUT AND RHEUMATISM.

CURE WARRANTED BY DR. LAVILLE'S ...RIAL AND PILLS.

This medicinal treatment, acknowledged as infallible by the best physicians, is recommended especially by its indisputable power over the above complaints. For only it repels every attack as if by magic, but it purifies so completely the constitution, that after cause there is no return of any stigma in us to be feared. The articulations recover from day to day their elasticity, the action of the heart and other organs becomes more and more regular, and this result is obtained without the use of any perturbating remedy. For further particulars, read the pamphlet distributed gratis at all the depots. Sold, in Paris, at the pharmacy central, No. 14 de la Paix street; in New York, at Peugers Brothers, Druggists, No. 68 North William street; at Leroy's pharmacy, No. 711 Broadway, and at Messrs. Delbos & Co.'s, Druggists; in New Orleans, at Labatut's, 146 Royal street; in the West Indies, at Messrs. E. Heilbuth & Co.'s, Druggists.

COLDS, IRRITATIONS, INFLAMMATIONS.

BRIANT'S ANTI-PHLOGISTIC SYRUP,

PATENTED—PARIS, ST. DENIS ST., No. 127, BRIANT'S DRUG STORE.

This SYRUP, PREPARED SPECIALLY for the treatment and prompt CURE of the above-named diseases has been prescribed for upwards of thirty years, with constant success, by the most distinguished Physicians, members of the Academy of Medicine and Professors of the Faculty in Paris, particularly by Messrs. Pamquier, Dubois, Guersant, and others. The illustrious Vauquelin gave it his unqualified approval.

A patent has been delivered to the discoverer, after an examination by Messrs. Thenard, Barnet (now Lamoine and Arago), members of the Institute of France, and a favorable report presented by the Royal Academy of Medicine, in which it is acknowledged to possess all the properties of pectoral syrups. While recently, Messrs. Chevallier, O. Henry and Lassaigne, well known chemists, called upon to make a report on BRIANT'S ANTI-PHLOGISTIC SYRUP before a court of justice, have declared: "That this syrup is prepared *from plants, the properties of which make it highly favorable to the cure of diseases of the chest.*"

Briant's Syrup is also used with equal success in cases arising from all kinds of irritations and inflammations, such as: cold, spitting of blood, croup, hooping-cough, hysterism, &c., &c.

N. B.—Every bottle of Briant's Syrup, if genuine, comes from the pen of Dr. Lamoureux and Pujol; the label bears the signature of Briant, their predecessor. The glass is green and is stamped "Verrerie de Masnieres and Briant, Paris. Label printed by Malteste; metallic cap, made by Gupil, bears the seal of Briant. Printed instructions, bearing same names and seals, are sent with each bottle.

DEPOTS—In NEW YORK, at Seguin's, 30 North William street, and at Leroy's, 711 Broadway; in NEW ORLEANS, sold by A. the Druggists, and especially by Dr. Gibbon, 168 Royal street, and by Dr. Lemoine, 39 Chartres street; in MEXICO, at F. Mallarino & Co., Druggists.
