OUVERNUM. J. B. DAWSON.

The northern mail brings us nothing in the scape of news. The dates from New York are to the 14th instant, and from Baltimore and Weshington to the

In the absence of anything more interesting we

The success it is presumed, will only be temporary.

By the seliconer Mary Tyson, arrived yesterday mother time to mature their plans, we may reasonably confide ag from Brazoria, we have received the Texas Gasette of in their producer; for, they must know, that a rejeche 7th instant. The Gazette has been removed from St. tron of the measure would not only eject them from of Pulippe de Austin to Brazoria. It is still under the directice, but entait on their characters an eternal infamy.

tion of Mr. G. B. Cotton, formerly of this city.

Colonel Authory Butler, charge d'affaires of the government of the United States to the Mexican republic, had arrived at St. Philippe de Austin-

It would seem from the following extract from the prereedings of a public meeting at Brazoria, that the people of that colony are strongly inclined to espouse the cause of

"Believing, as we do, the existing authorities of the reistration of the government, have joinstitud the constitu-tion of the country to be wanteely violated; that charter, by which she right to govern is defined; that charter that guarantees to the people of the country all the rights and privileges of freeness—and above all, that charter which the nave columnty pledged durselves, topour God, to sup-

port, in its true sense and original purity.

"We therefore, feef, ourselves constrained under the conviction aforeasts to declare our opposition to all violations of the constitution; and until some regular constitutional or gassization is established, to keep ou selves within the pare of that instrument, and to administer the government in the best possible mode."

The brig Constitution, captain Robinson, arrived at Philadelphia in twenty-six days from the island of Madeira, states that the island was biorkeded by Don Pedro's squadrou, consisting of a frigate, one man of war brig and schooner. Four brigs arrived from New York on the 8d April, were not permitted to enter. Dou Pedro and his equadron of transports were daily expected.

(From English spopers by the Talahasa.) LONDON, April 6.

Intelligence from Rome up to the 224 of March Lay in general schemic increased. Papal troops to Homogra and Lay in general schemic increased. Papal troops to the graph of the properties of the dignified and more lates of such as manufact, with all that deliberation and constitution who have not specific their littles are increased. Papal troops to the graph of states the number of Austrian froops in Romagna and Law in general is being increased. Papel imounto the
