MISSOURI IRON COMPANY.

Capital Stock $5,000,000.

DURATION OF THE CHARTER 50 years.

The Missouri Iron Company are chartered the past winter by the Legislature of Missouri for 50 years with a capital stock of $5,000,000, for the purpose of "manufacturing iron in all its various branches, especially of railroad iron; the building and repairing of steamboats, railroad cars, mining, or other species of manufacturing, whereby the interests of said Company may be promoted."

The Company are the owners of two celebrated Iron Mountains and several thousand acres of land in their vicinity. Their mountains lay 40 miles west of the Mississippi river and 80 miles south of the city of St. Louis Missouri. The same Company have a charter for a railroad from the mountains to the river, and design immediately constructing said road, and erecting their necessary buildings for manufacturing iron, so that several hundred hands may be employed.—The Iron Mountains contain ore enough layeing on the surface and exposed to full view of the same richness and purity with the specimens now exhibiting in the Arcade and French Exchanges, to supply all the wants of the United States for many thousand years. The ore is 66 per cent pure, and equal in quality with the best Swedish and Russia Iron, and coal may be had by the Company in any quantities and at the cheapest rates, so that the Company will be able to manufacture and deliver at the Iron Mountain city on the Mississippi river, any amount of the best bar iron at an expense of not more than $25 a ton, and if there sold $75 a ton, a profit of $200 per ton above the original cost will be realized. Common bar iron is now selling in the west and south from $120 to $150 a ton.

The shares in the Missouri Iron Company are $100 each, only 50 per cent of which will be necessary to be paid in for carrying into operation the works of the railroad, and putting the whole into full operation, which in operation the honest amount of dividends that can reasonably be made to stockholders, is 50 per cent each year, which will be 100 per cent yearly on the amount of money paid in.

1000 Shares of the Stock will be sold at the Arcade Exchange on Saturday the 8th inst at 12 o'clock, by

J. VAN DOREN, President.

N. B. The President of the Missouri Iron Company may be seen each day till 3 o'clock P. M. at the City Hotel. (Mr Richardson) bidding lots may be purchased of him, either at the sale in the Iron Mountain city situate on the Mississippi river, in the Missouri city, situate at the foot of the Iron Mountain.
