Trusts to the newspaper Harlan, from Indians, for Texas papers and copy of the steamer's manifest.

GRAND CONCERT.—Our readers will not forget that grand concert will be given this evening at the Opera House under the auspices of the American Society, "for the benefit of the Poor of the South." The violinists are Dr. M. C. Johnson, who will be aided by Miss M. Peirce, U. M. Fernando, J. M. Kelly, Aug. Davis, and Prof. Smith. The proceeds will be the last annual meeting of the Union League, when she leaves for Europe in a day or two, and our people can have an opportunity of showing their appreciation of her merits, while aiding a poor cause.

APPOINTMENT.—Maurice Hirsch is appointed as a member of the Board of Trade of the Third District, in place of Louis Etienne. The Committee for the appointment of a new Commissioner of Customs has been established, and the names of the members will be announced in due time.

THREE OUT OF MAXIMILIAN.—The first of three count of the execution of the Empress Maximilian and his General, Miramon, and Mozo, which we take from the *Times* of yesterday, was received by the Consul General and the French Minister of Foreign Affairs. The count of three, which came from Paris, has been sent to the Consul, and the third, which came from Mexico, will be sent by M. Fournier, U. S. Minister. It is probable that this last will be the last news of the Emperor.
