Seppe Asma	
Robin Wauters	
Mathias Vanduffel	

### Absent

Name	Reason
Jeroen Belis	Sport status
Vincent Peeters	not necessary
Victor Tamarit Del Horno	not necessary
Joren Van Laethem	not necessary

### Agenda

- Testing the car

### Elaboration

- We have tested our car in the “-2”. With battery completed the car the track in 3.6 seconds. Without battery, he followed the calculated curve in matlab.
- In order to make sure that we have as little friction as possible, we will not make use of a sliding system. According to our tests, the car will continue driving straight.

Assignment	Team members	Actual workload (h)/pp	Due date
Testing	Tessa Aerts Nathalie Andries Seppe Asma Robin Wauters Mathias Vanduffel	1
