one elsewhere, and must be deemed offensive sanderous and indecent to the last degree. To those who have watched the course of the Covernment organ, the attack upon the Senate

out interest.

Message from the President.

The following inportait Message was transmitted to Congress by the President, on the 13th inst. The subject has been referred to the com-

The State of State of

91.6 AR—The market has been monated out fast the sales having renches having the hardware of the articles of the fast of the f

being beld all over the country. We have never seen the sympathies of the American people more strongly aroused than in behalf of the frame-entry kein demonstor of Erin.

**Est Some of the Richmond papers are advocating a disposition of Jogians into two States, the character, feetings, and habits of Eistern being entirely different from those of Western Virginia.

**Est The Charleston Mercury, in conquenting upon the resolution depriving Mr. Richmond a seat in the Senate chamber, remarks, appositely enough—
It will be recollected that the Senate some two years since, by a unanimous vote, expelled Mr. Smith, from a special Country for the Washington lowend, for an offence similar idea of the Count. These distributions of the Washington lowend, for an offence similar idea of the Country of the Washington lowend, for an offence similar idea of the Country of the Country of the Washington lowend, for an offence similar idea of the Country of the Country of the Washington lowend, for an offence similar idea of the Country of the Country of the Washington lowend, for an offence similar idea of the Country of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend, for an offence similar idea of the Washington lowend lower and the washington lower of the Washington lower of
