## THE ROMAN QUESTION. BY TELEGRAPH.

From our last issue we learn that the great of all Europe are now turned towards Italy and Rome, and that no little anxiety is felt in the Catholic world generally as to the result of the present crisis. With the present week, after eighteen years' occupation of the Holy City, the present Italian Government is about to be replaced by another, and the result, as we write, may be on the way to the Vatican. The present Italian Government is about to be replaced by another, and the result, as we write, may be on the way to the Vatican.
