FROM ST. LOUIS trival of the United State

testing against a continuate of the practice. The result is that the fishing has been discontinued add the pickets withdrawn to a considerable discontinued and the pickets withdrawn to a considerable discontinued and treaks up the friendly visits of the pickets be one another, their awimming over, acchanging papers, & Perpandrum.

Exchanging papers, & PREFARATION FOR DEFENCE—CONTRABADS AT WINES OF THE FORTIFICATIONS—ALARM AT ALEXANDRIA—ATTACK ON THE PICKETS REAR EXCL. RV., ETC.

Windington, May 25, 1933—All the male cautivabulate in the neighboring city of Alexandria have been put to work on intrenchments in that neighboridood. The Provost Marsiah has bad a lively time in impressing them. Sinday was a bely vine in impressing them. Sinday was a bely vine a cuted by a report that Stoart's rebel cavalry intended to make a graid into Alexandria. Most just Cattlett's stainon. General Heinesbonn and staff on Monday vasition of and interpreted the fortifications.

Our pickets were attacked yesterday sementic in the vicinity of Bull run, and one of them withed. The enemy were chased ten giles, and so med of them were were chased ten giles, and so med of them were were chased ten giles, and so med of them were were chased ten giles, and so med of them were were chased ten giles, and so med of them were third and wounded in

habnock.

nay be predatory or guerrilia bands in liey, but not in large numbers.

News via New York. la of the 30th ult. has the following

The Mreed of the Join uit has the following news from Vicksburg. The dispatch dated Jackson, May 25th, we received in manuscript, from a correspondent on the 28th, but could not publish it will now. nom a correspondent to the schip of country publish it will now the schip of the sc

sea. Cury one amount of the seamy kept of a least of the seamy kept of a heavy artillery fire yesterday. Two of our gone were dismounted in the centre. Our works, however, were unbipared. Their sharp-shooters picked off officers and men ail day. Our works were repaired and our guar-splaced lists might. Our men are decouraged by a reject that General Johnston is near with a large army, and are in good spurits.

May 21-2 F M.—We have had brisk artillery and minketry firing looday, also heavy mertar firing from guaboass.

Eight o'clock P. M.—Boring the past two Eight p'elock P. M .- Daring the past tw

Mobile, May 23, 1863—A special depatch to the Adoctiver and Register, dated to day, says. The leases from Vickburg is to Thursday night. The seemy has been folded in all his efforts. He dead strew the ground in from of our works. According to one estimate his loops is 10,000.

Admiral Dupont reports to the Navy Depart-ment, quder date of May 24, that a three masted steamer was driven on shore east of Beach julet during the night of the 20th, while attempting to rua, out of Charleston harbor. She is a lotal wieck and entirely submerged. WARE WORK EMPECTED IN WESTERN FIR-

Private advices from Gauley, Va., state that warm work is expected in that region before long, as the enemy have of late been making beligerent demonstrations which indicate that they are bent on mischief. PROSPECTS OF AN ACTIVE CAMPAIGN ON THE BLACKWATER. Twelve thousand rebels have crossed the Blackwater, and it is feared that Beauregard's forces are to be brought up from Charleston, and an active campaign in this direction inaugurated by the rebels to offset their Vickaburg disaster.

Major Gen. Sickles's impaired health has ren-lered a brief interval of repose necessary. He s going to the seashore.

----THE APPREHENDED REEL INVASION.

Cincinnati, May 28, 1863.—Advices from
contactly represent that all is quiet on General
terraids it foot.

Kentucky represent that an is quite to the Burnsich s front.
The rebel force in Wayne county, Ky., is estimated at from 6000 to 8000.
General Peyram's rebel headquarters are this aide of Monticello, on Gen Gilbert's front.
There is much speculation, and uncertainty is rife as to the intentions of the rebels.
That the rebels are going to make a bold stroke is evident. ----

of Marghres Burns, charged with ald
a betting Thomas Borns in the morder
of McCulich, on Enghein street, Taird,
it il Jone, 1862, the doubt-room was fit

Patrick Ryan knew the accused and her fum-

mitted to the Court.

Propost Court.—A. Dr.B. Hughes previding.

Providay Morining.—Bernard Lasfette was accessed of disregarding an order of the Mayor, interfering with the officers who returned to her idomicile an evicted female and her furniture. He was also charged with speaking disrespectfully of the Mayor and the military authority. This put §10 into the registers of the Court.

A marron with a ancking babe, a tell mulatto girl, and a meek looking watch maker, were brought up of the charge of buying stolen ewelry from a female Teuton. The jewery being produced was found to be worth about two bits, and as the proof was about as ridications, the accessed was discharged.

A mercanal gentleman was fined \$5 for getting spruch excited at the first that the policeman could not get him to obey orders and keep away.

Saveral cases of selling liquor to soldiers were transferred to the new Provost Court of Col. Dwight.

A "Yeller fellow was convicted of stealing a watch from the maitelpiece of a lady who had called him into her house to the assistance of her sick husband. He stoutly denied the harsh impachemant, but the evidence was too heavy against him, and he was sent down to be wound up for fiddays.

An olive-skinded youth was charged with singing the street. The accessed denied the charge, as against him; but he was sent to prison.

charge, as against him: but he was sent to prison.

Jean Murie Melee was charged with exposing for sale in the French Market on Sunday last the carcase of a cow which had died of distance of the Commission of t

FROM OUR EVENING EDITION OF TESTERDAT. Further from Late Mobile Papers.

BOLD ALD SUCCESSIBLE

Bettick Ryan knew the accused and bettime difficulty. Petrick Ryan knew the accused and bettime all as respectively years, and endorsed them all as respectively bettimes, and indicationate the section of the proceeding of the control of the Black river and reached man on his back. Burns, which resulted is very little.

Min. Lamont then opened the argument on the part of the prosecution and was followed by Col. Field, for the prisoner Mr. Cutler cl. ed with a proceeding speech in his peculiar style as good came but the "old wheel horse" Col. Field had the advantage of being "thrice armeit with a quarrel plast. This was demonstrated by the verdict of the jury, who came in after about three minutes retireacy with a verdict of "not guilty"—one juror laving bestated as to whether the verdict of the jury, who came in after about three minutes retireacy with a verdict of "not guilty"—one juror laving bestated as to whether the verdict of the jury, who came in after about three minutes retireacy with a verdict of "not guilty"—one juror laving bestated as to whether the verdict of the jury, who came in after about three minutes retireacy with a verdict of "not guilty"—one juror laving bestated with manishangher comes up to-day, but we presume the exception of Col Field in the Kobineon case will lirely be a substituted to the Contr.

Private of the surrely and the military authority. This just \$10 into the registrar of the Court. A mattern with a sucking bake, a tail mintactiff, and a mesk looking watch maker, were brought up on the charge of bringing stone levely from a female Tenton. The jewelry being produced was found to be worth about of the distinguished gentleman who has been driven into our lines.

We sain that information has been received to we friend with the distinguished gentleman who has been driven into our lines.

ANOTHER PAPER-MILL. BURNED.

e learn that information has been received Mr. S. S. Brown, one of the leasees of the that one of the paper mills of Greenville, was partially dearroyed by fire on Wed-ay. We trust the damage is not anch as leaded the mill long, for it is with difficulty

nat all the mills, running to their fullest ca-acity, can supply the necessities of the Govern-seut and the press.
