SUGAR ANDS FOR SALE.
TWO handsome tracts of land adjoining each
other, one 31 arpents, the other 14 arpents
on the river, by 40 in depth, situate in the parish
of Plaquemine, left bank of the river, distant about
one mile from the plantation of Mr. Williams, and
30 miles from town.
The tract of 31 arpents is covered with wood
down the river, furnishing good fuel as well as
cypress. Of the tract of 14 arpents front, about
100 arpents cleared, and can be worked and cul-
tivated immediately. The two united would form
a very handsome Sugar Estate.
The experience of many years shows that the
sugar cane succeeds better in this parish than in
any other part of Louisiana; that it yields better
and is much less subject to frost. The rolling
is generally prolonged to the last days in
January without inconvenience. There are now
in this parish 22 Sugar Plantations, some of which
are not more than from 20 to 30 west of here:
and this parish during the present season, will
produce near eight millions pounds of sugar.
A steam boat is built or being built for the
purpose of towing vessels between the Lake and
the river, which secures a good price for the
cane and insures an important revenue from
the cleared land.
The above tracts of land will be sold together
separately as may suit purchasers, and a long
time will be given on proper security.
For further information, as well as for terms and
conditions apply to Mrs. A. Abot and Eugenie Miquety
or to Mr. C. B. Duhan, in New-Orleans, or on the
in the parish of Plaquemine.

vided however, the fact can be proved
before any competent court of this
State.
New-Orleans, 11th Feb. 1828.
LS. BRINGIER.

REMOVAL.
SULPHUROUS BATHS.
DOCTOR RENOU, has the honor
of informing his colleagues and the
inhabitants of New-Orleans and of Louisi-
ana, that he has removed his establishment
of Sulphurous Baths from St. Ann Street,
No. 122 to Barvaks Street No. 150, at
the corner of Burgundy in the house lately oc-
cupied by Dr. Furmenet.

It is generally known, how much benefit
is obtained by sulphurous bath in certain
diseases; rheumatic complaints, psoriasis
and other serious complaints, it is need-
less to quote here the numerous instances of
immediate cure and relief afforded by the
application of that remedy.
Mr. Renou has applied himself of his re-
moval in constructing a new apparatus
and making his establishment free from
any kind of reproach that could have been
made to the former one.
The room for the reception of white
people is totally separate from the one fixed
for negroes.
His new lodgings afford him the means
of receiving certain number of sick per-
sons wishing to board at his house.
He has provided a spacious hospital, and
his house being situated in a retired part
of the town less crowded with houses than
others, makes the situation perfectly
wholesome.
Prices for 12 Baths, \$ 16 ..
" 6 " " " " 9 ..
" 3 " " " " " 5 ..
For treatment of negroes per day, 1 ..
Doctor Renou will however take with
the persons who will apply to him all pos-
sible arrangements.
During the last year of his practice in
Paris, Doctor Renou has been intimate
with the celebrated Dr. Ducamp inventor
of the most efficient method of curing is-
churia (retention of urine), and he had es-
pecially addicted himself to the treatment
of that disease; he has since in his posses-
sion a complete collection of all the instru-
ments necessary thereto. He may ensure
to those persons affected with the above
complaint, who will apply to him, prompt
and safe cure from his method of treat-
ment.

son frere, l'installation qu'ils viennent de
faire, les met à même d'exécuter avec
promptitude et netteté toute sorte d'ou-
vrage de vaisselle de leur état, tel que de
mettre à neuf les faucils et pistolets à piston,
à potence, &c. &c.
Nous espérons que la perfection qu'il a
acquise se travaillant avec un des arti-
siers les plus distingués des Etats-Unis, lui
vautra la confiance de ses concitoyens.
