This, ways the Richmond Wing, is becoming a very common question. The Democratis, by a manimous vote, declared in March, that no man, who holds Mr Carbo opinions respecting whether, receive their votes. But their Delegates to Baltimore, by a manimous vote, because the declaration of the State Convention and from the very firm voted for Cam.

Why was that:

Some days before the Convention, we saw a waterievel selection of the State Convention of the Washington Union was actively selection earing against Woodbury, and that Bochanna and Case understood one another. Suppose blochanna is to be considered in the State Department, and the editor of the Union the septical organ, with 280,000 dollars sciarry, would that explain nothing? of times men have been framed from mingling with the old citizens of Matamoros, who know and properly estimate their characters. With such in the Washington Union was actively election-sering against Woodbury, and that Bochanan and Cass understood one another. Spose Bochanan is to be continued in the State Department, and the editor of the Union the special organ, with 280,000 dollars salary, would that explain nothing! Would it not enable us to understand the defection of the Virginia delegation, and the meaning of Mr. Benton as resorted below?
