MEMORANDUM FOR Commander, United States Southern Command, 3511 NW 91st Avenue, Miami, FL 33172.

SUBJECT: (S) Transfer Recommendation for Guantanamo Detainee, Tila Mohammed Khan, ISN: US9PK-000830DP

1. (S) **Personal Information:** Tila Mohammed Khan is a 23 year old Pakistani national, born in 1980 in Wazieristan Province, Pakistan. Detainee has a history of depression and anxiety but is otherwise in good health.
2. (FOUO) **Detention Information:** Detainee went to Wana, Pakistan (PK) to attend a pro-jihad demonstration presumably sponsored by the Taliban. He decided to support the Taliban against Americans because he was promised food and a weapon. Detainee departed with 35-40 individuals to Kabul, Afghanistan (AF). Once in Kabul he served as a gate guard and a cook near the Kabul airport. Detainee was captured carrying a Kalashnikov and ammunition while traveling from Kabul to his uncle's home in Omana, AF. He was turned over to U.S. forces, detained in Baghram for approximately two months, and was subsequently transported to Guantanamo Bay Naval Base, Cuba because of his support of the Taliban and for his serving in a combatant role.
3. (S) **Assessment:** Based on information collected and available to Joint Task Force Guantanamo as of 5 August 2003, detainee ISN: US9PK-000830DP is assessed as being a very low-level member of the Taliban. Based on the detainee's folder, the knowledgeability brief, and interrogations by JTF Guantanamo, it must be assessed that the detainee is of low intelligence value to the United States at this time. Based on the above, detainee poses a low threat risk to the U.S., its interests and allies.
4. (S) **Recommendation:** In view of the foregoing, I recommend subject detainee be considered for release and repatriation to his country of origin.
5. (C) **Coordination:** JTF Guantanamo notified the Criminal Investigative Task Force of this recommendation on 6 August 2003.
