Disasters by the Late Cele.

The gaiq of the 28th and 29th appears to have been very disastrous off the coast. The following vessels have arrived here since Saturday morning, viz:

The brig Ocean Wene, Captain Lee, from Mobile, bound to New York, reports on, the 20th uit, lat. 28, long. 84:20, lost top-gallant and royal masts, jibboom and all sails and rigging attached. She will undergo repairs and proceed on her voyage.

The bark Meris, Capt. Ricker, from the Caribbean Sea, bound to Ballimore with a carge of guano. Captain Ricker reports, that ou the 28th uit, when in lat. 28:18, long. 80, experienced a heavy gale, lost fore and maintop masts. At the time she had six and a half op masts. At the time she had six and a hal feet water in her hold. A portion of cargo was thrown overboard to lighten the ship. She arrived at Algiers with two feet water in

She arrived at a giers with two feet water.

The flexican brig Hercules, Captain Pamurim, arrived from Campeachy. Captain P. reports that, on the 29th uit, in lat. 15, long. 31, he encountered a severe gale, which carried away the mainmast. ed away the mainmast. The bark Washington Butcher, Captain Colhins, from Philadelphia, arrived materially damaged and leaking. Captain Collins re-ports that he caught the gale when 60 miles to Westward of the Tortugas; was compelled o cut away foremast, main-topmast, jib-
