the grounds upon which the bill was produced. The parish has suffered exceedingly from the storm in August last, and planters had to go to a great expense to save their plantations & proper ty from utter ruin. That during the last 10 years 14000 dollars had been paid into the Treesury by the parish of St. Bernard, which was their twice the amount contemplated by law. The law regulating the taxes by the different parishes had simplated the amount overpaid by the parish of St. Bernard should be exempt from taxation during the year 1832.

The house rejected the bill on the ground of its unconstitutional bearings. By the parisage of elections and would be disfranchised from varing in cases of elections and would be disfranchised from varing in cases of elections and this was to the house of elections and this was to the house of elections and this was to the house of clearing the last 10 years. By the parisage of elections and would be disfranchised from varing in cases of elections and this was to the house of elections and this was to the house of the language of the lang

law passed in 1831, permitting citizens to intro duce slaves for their own use. This amend ment prohibits the powers of an agent to pur chase; and makes it obligatory on those citizens who wish to introduce slaves for their own use, to make the purchase themselves.

AN ACT

To amend and explain an act to incorporate

the city bank of New Orleans. Sec. 1. Be it enacted by the senate and house of representatives of the state of Louisiana in general assembly convened, That the second section of said act be so amended as that the president and directors of said bank, shall not be bound to call in more than one million of the capital stock of said bank; and that should said president and directors deem it expedient, at any time bereafter, to call in a greater sum, the same, or any part thereof, shall only be called for, in the mar ner described in said section of said act; and that said bank may go into operation so soon as ten thousand shares of said capital stock shall be subscribed for, and t'e first instalment is paid thereon; and additional instalments on the stock subscribed for to the amount of four bund thousand dollars, shall be ordered and advertised to be called in, payab's within ninety days, or sooner, after said bank shall have commenced

operation.
Sec. 2d. Be it further enacted, &c. That section sixth of said act, be so amended as that said bank shall not be obliged to pay said interest, except on such sums of money as shall remain deposited for a period of thirty days or more; and that section seventh be so amended and explained, as that the debt due to or from said bank, shall never exceed the sum total of twice the amount of its capital paid in, a bled to the amount of its deposits.

Sec. 3d. Be it further enacted, &c. That

section nineteenth be so amended as that the present bank shall be bound to pay each of the branches, one half of the amount of the capital to which said branches are catifled, in themen h of March next, and the other half in the month

of November next,
Sec. 4. Be it further enacted fre. That the ption heretofore made of the stock of said Bank be annulled and avoided, that subscriptions for the capital stock of said Bank be opened at New Otleans, under the superintendance of the President and Directors of said Bank and shall continue on a core. shall continue open every day from the time of opening of the same, Saudays excepted, between the hours of 10 o'clock in the forenoon and 2 o' clock in the afternoon, far the period of ten days: said Directors having first given twenty days no-tice of the time and place of opening the same; but in case at the end of the delays aforesaid? less number than fen thousand shares shall have been subscribed, the books shall remain open until ten thousand shares shall have been subscribed. until ten thousand shares shall have been sub-scribed and shall theribe closed; and said books shall be again opened by the board of Directors, under the restrictions and stipulations set lotte in the second section of the said act.

Sec. 5. And be if further enected for. That this act be in force from and after the passage thereof

(Signed)
A. MOUNTY,
Speaker of the House of Representatives,
C. DERBIGNY,
C. DERBIGNY President of the Sentte. Approved, January 13, 1832.

A. B. ROMAN, Governor of the State of Louisiana.

THE BRE.

It has been stated—from official sources—in the Washington Globe, that the Republic of Colombia has ceased to exist, and in its place there would be seen on the map of South America, three states under the names of Venezuela, New Granada and Ecuador. Persons well informed as a public transaction and grables opinion in that country, think that this approach opinion in the country, think that this approach is a least present opinion in the country of the present opinion in the country of the persons who feel the persons who have been of penning the above that a wrong construction has been put upon certain doctions and grables or communication that this approach to Bolivar, created as much and the persons who feel the persons who feel the persons who have been of a falsehood. We received no papers beyond Mobile; though we learn, from the columns of the Courier, which has been more fortunate, that of the same time that she was really to require the supposed candidate, for the in London, which merely states that no new claring at the same time that she was really to reunite, which has been more fortunate, that
the mail brought nothing interesting.

Captain GLOVER's new play, the last of the Mohicans, has been very successful at the Richmond
Hill theatre, and is likely to be highly attractive.—
We notice this, withree much the more pleasure, as
it is an American production.

We did not attend the performances at the Campstreet Theatre last night; but a friend, and one who
can judge too, has assured us that the Cradle of Liberty, by the same author, is a creditable dramatic
composition.

Carting at the same time that she was really to reunite, whenever the supposed candidate for the
through should leave the soil of the Republic. He is
now dead; and the great question, therefore, of the
present moment, is not the organisation of separate
and independent states, but what particular system
or form of re-union shall be adopted. The brief exand independent states, but what particular system
or form of re-union shall be adopted. The brief exand independent states, but what particular system
or form of re-union shall be adopted. The brief exand independent states, but what particular system
or form of re-union shall be delepted. The brief exadditional reason for improvement with the alternation of the respondent and indivisible,
and the experience of Colombia herself, render it
improbable that centralism or a consolidated government will be preferred. On the other hand the admirable effects which the federal and national system has produced in our country, are likely to decide the politicians and people of Colombia in its favour; and it is peculiarly adapted to the extent and
composition.

STATE LEGISLATURE.

A bill passed the Senate yesterday author
ising the Governor to purchase a gold medial and
offict the same to the Hon. Edward Livingstori, as an acknowledgement, on the part of the
state of Louisiana, for the code of criminal and
civil law presented to the State by the Honorabie Gentleman.

The House was occupied during the greater
part of the day in discussing the bill imposing
certain duties on the state printer, relative to
prin ing the journals of the General Assembly.
The bill was r-jected. A bill granting relief to
the parish of St Bernard was taken up for a
third-realing. Mr. Ducros stated to the house
the grounds upon which the bill was produced.
The parish has auffered exceedingly from the
storm in August last, and planters had to go to a
great expense to save their plantations & proper
