Extract from the act of incorporation.

SEC. 4. *Be it further enacted*, That the owners of real estate situated in the State of Louisiana, and who are citizens thereof, shall be the only persons entitled to subscribe, and shares so subscribed, shall be transferable only to such owners until after four years, when they shall be transferable to any owner of real estate in this state, whether citizen or not, provided, however, that to secure the capital or interest of said bank, mortgage shall be given to the amount of four millions of dollars on property situated in the city of New Orleans, and its suburbs.

SEC. 8. *Be it further enacted, &c.* That to secure the payment of the capital and interest of said bonds, the subscribers shall be bound to give mortgage to the satisfaction of the direction on property to be in all cases at least equal to the amount of their respective stock which mortgaged may bear on cultivated lands and slaves, on lots with houses or other edifices yielding a revenue. That the said mortgages may also be created on lands not cultivated but susceptible of cultivation, and on vacant lots; Provided, that no more than one fifth of the stock of each stockholder may be secured by mortgage on unimproved lands not included in any plantation, and on vacant lots in the city and suburbs of New Orleans. No mortgage on slaves alone shall be received. That when a mortgage shall be offered on lands and slaves the value of the land shall be equal to least two thirds of the stock for which the mortgage shall be given. That houses and other buildings mortgaged to the bank, shall always be insured against the risks of fire, and the policy of insurance transferred to the said institution, but it shall not be necessary to insure buildings on plantations.

That no mortgage shall be received on a brick house or other brick buildings for more than one half of its value; and on a frame house for more than one fourth its value. That no one shall be permitted to subscribe until he shall deliver to the commissioners a notarial act of sale, or patents or certificates of confirmation from the said commissioners of the United States, of partition sales and adjudications by a decree of a court of justice verified according to law, or such other evidence of title to the property proposed as a guarantee to the bank, as may be deemed satisfactory to said commissioners or directors. That property already mortgaged may be received as guarantee. Provided, that the direction shall first deduct from the whole value of the property at least twice the amount of said mortgages, and then grant such only on the excess remaining after such deduction; Provided, however, that mortgage existing on said property shall not prevent the bank of said bank from receiving them as security for stock when the sum to be loaned is to be employed in the establishment of said mortgages.

CAUTION TO PROPRIETORS OF POTTER'S VEGETABLE CATHOLICON.

(*CIRCULAR.*) Philadelphia, Feb. 1, 1832.

SIR—A spurious medicine, under the name of *Potter's Vegetable Catholicon*, has recently been manufactured in this city, and distributed abroad. The labels on the bottles are exact imitations of mine, with the exception of the middle initials of my name being printed W. POTTER, instead of W. W. POTTER. I object in addressing this circular to you, to any premature imposition on you, and injury arising to the patients who may use the medicine.

Continuing manufacturing the article, the demand for which is increasing daily, as its virtues are becoming more extensively known.

Any orders you may please to give me will be executed with promptness and despatch. I am yours respectfully, W. W. POTTER.
