Wednesday morning, Sept. 8

Tactics, The tactics of our opponents are really intrica and profound. Such a thing as a consistent adheence to principle is wholly incompetible with the case to principle is a consistent of policy. They would be a consistent of policy. lectrine and practice another—nay, they preach d the interval between the utterance of two opportunities es of opinions is ludicrously short. Every body is aware that the new revenue bill?

been lauded by the locofoco press as the consu principle of protection, which the Union and its af ared prints had assailed and denounced as a prin ple of plunder, was regarded as extinct, annihil by the new Tariff. Those villainous capitalisi with the products of American art and American hor, could no longer attempt to shut out the closand iron and coal and linen of Great Britain. A no spech had dawned upon this benighted continent We were to sell many millions more of agricul produce, and import to the same extent of Euro nanufactures. A splendid discovery had been m norny, overturning all its antiqu

Thus spoke democracy a few weeks since, but the that manufactures and home industry can flour under it; and that the democratic party, with a kin ly remembrance of the necessities of the country, pur posely tramed the bill so as to furnish ample er numbers, it undertakes, through a corresponden Pennsylvanians that iron is taxed fully 45 per cen nd tells the New Yorkers that the duty on wo they are altogether wrong, and will be able to

This is not all, in the excess of its fit of h lence, the Government organ, abandoning for monce the sublimity of its Free Trade visions, hold out strong hopes that this Tariff, though it be the perlection of statesmanship, may be modified. It seems to statesmanship, may be modified. It seems to see the seems of the seems to see the seems

What is the principle of the Tariff of 1846! I Free Trade or Protection! "Under which Ki Bezonsan! --speak or die!" If this same principle If this same principle low a duty to be increased, because under it the mutacturer cannot prosper, what becomes of all the stacturer cannot prosper, what becomes of an approximate a protection arguments which for the last year a protection arguments which for the last year a protection arguments which for the last year a protection arguments that language such as we have quotiently with the protection. could be wholly irreconcileable with the pr amons of the Administration, were not a class of mystery furnished by the proximity of the Pr sylvama elections, and the boldness and vigar which the whige party have made the Tariff of 18 may be divined. In pursuance of the plan of whi nsylvania are to be won back to their anci hat at the coming session higher duties will be leviled unity of locofocoism in the Key Stone State. ing swallowed the bait once, the party, it thinks com

moment, they will probably conclude that to promise some thing, to perform another. Does any one say pose that Congress will agree to remodel the Tages for the special benefit of the coal and iron trade! Will the sugar planters consent to be excluded! Will cotton and timen manufacturers be willing to suf that Pennsylvania alone may be cared tor! The is preposterous. The Tariff of 1846, if twelved at will be materially modified in many of its feature and if any body imagines that Congress intends to ent foundation, before an opportunit; is presented observing its workings and effects, he must be alm as verdant as the Pennsylvanians themselves, wh they boasted that JANES K. Polk was "the ardent vocare of coal and iron."

who is the histories of exercises and beendest if eather a Islandous of exery leading.

Public may be such that he had wide defined in a transition of the histories and the exercise of societable had to a contract a state of the histories of exery leading.

City Intelligence.

business of Memoryality No. Two.—The Countries last evening. Recorder Bildwin in the Chair e Tressurer's weekly report was read as follows: since on hand lost Tuesday, \$12,104 72 hourt received since, 2,747 63 -914,852 4 12,620 6

nice on hand, he was read, wherein that the many feurned, with his objections, the resolution of the Council providing for the election by balf two competent accountants, whose duty it shall sinvestigate the books, papers, &c. of the Treasand Comptroller, since the division of the city. Honor would rather approve the former resolution by which the Treasarer and Comptroller were do examine themselves the accounts, and rethereon. This last plan at least would not enher expenses on the Municipality.

If Reynolds did not know whether the five days in which a veto can have effect were ciapsed, but yould move that the Council insist on the resolutions. **\$2,231** 7

had not been signed and communicated to the il with the five days allowed by law. Bullitt thought this course unparliamentary.— id be establishing quite a novel precedent.— eto could not be communicated to the Council the five legal-days allded to by the member or Third Ward, since the Council meet, but n seven days. And as for the signing of that ent, although the Mayor's opinion was formed yn xt day after the resolution was passed, he

Mayor's veto indefinitely upon the table, it as hat seven members had woted for and six it. The mution consequently prevailed. ition from John Bailey, the lessee of the Sec-nicipality Steam Ferry, was referred to the ition from Joan Louvey, was referred to the mittee on Streets and Landings. Goodin, in the name of the majority of the E Committee, submitted a resolution authorized Treasurer to refund to those who paid it, the it of the special tax collected in 1813, and author, moreover, that officer, together with the profeler to issue notes payable in one year, and any interest at the rate of 6 per cent per animum, der to meet the interest due on the Manniagal.

port was adopted.

The Council then proceeded to the election by half to five accountants. Mesers. Nicholson and Wars were chosen. Adjourned.

For Officers Evans and Busby, of the Second Macquality police, arrested your day morning, in Bienlie street, a man samed James Buck, charged withing the murderer of Whitehead and Jones, in Maring the murderer of County, Texas. A reward of urthousand dollars had been offered for the appreciation of Buck.

Before Recorder Baldwin.—John H. Hoener, larged with stabling a man named Breilenbrucher, rasicommitted for his appearance and trial before the First Datter Court.

"Mary" slinas "Mary Kentucky," was bailed in the unit of SM for her appearance before the same trium), to be tried on a charge of largeny.

Thousas Murphy, a togetive from justice, who build earl semenced to impranoment in the city of Gaiseson, for largeny, was arrested and brought before the legeries. Remarked for further examination.

ist District Court.—Angeste Hérisson, chargeth stabling, was yesterday arraigned and pleaded ality. With O'Haway pleaded guilty of the charge inding. George Stewart, arraigned for larceny, ered that he was not guilty.

notic proseque was entered in the case of Daniel azarus, charget with burglery, in Butler, i.e. m. was tried for remaining in the interaction of the proseque was tried to remaining in the interaction of the property of the prisoner be committed back to answer anothers.

The Caurt then a formed.
