THE COTTON MARKET—AFFAIRS IN ROME —CONSPIRACY IN PROSSIA—NEW PROpatches from our attentive correspodent:

immend of being defrated, were supposted by a majority of 37:

Baltitione, June 3, 1849.

Further associate by the Ningara report a desiline in the price of provisions.

The Canadian affairs have been fully discussed in Pallament, and the course of Lord Elements of the Pallament, and the course of Lord Elements had been proposed to the Naviganion Bill, which will cause its modification, and defer its final passage.

The elections in France took place on the 13th ult. The general result was unknown; but 19 moderates and 9 socialises have been elected in Paris. The French army had not entered Rome. A discussion and vote had taken place on the National Assembly upon the listian question, which resulted in the defect of the Ministry, by a majority of 30. M. Faucher, Minister of the Interior, has resigned, and it was supposed that the other ministers would sollow his example.

The Hungarians were every where successful against the Austrians, and, it was reported had advanced within two days march of Vienna. The Austrian minister had written to London, St. Petersburg and Berlin, impleting thittes.

Sicily had again revolted, and the Neapolitan Baltimozz, June 6th.
Liverpool Cotton Market. Laverpoor. It is not the control of the control of the Cotton warket, and a reduction of 1.4. has been submitted too, for low and midding qualities. First qualities rate at previously quotations, C.d for far upland and Mobile; 4% for Orleans. Good qualities are less plengiful. The French at Rome.

) on the 15th the French attempted the passage of the Miv. 10 [1], bridge, but the Rousan destroyed it in blowing it up, in order to prevent them. The ch were on the banks of the Tiber, bety ldans was distant about tweve miles, while a small body of Spaniards was as Ternicotee, [Ferracina]

London, St. Petersburg and Berlin, imploring the interference of the governments to stop hostilities.

Steily had again revolted, and the Neapolitan army had been deleated.

The Danes had suffered another defeat, and had occepted the mediation of England.

Determances are prevailing in every part of Germany, and revolutionary movements had securred at Franklort.

The Poper have beard of the resistance the French troops now met at Rome, had declared returning to the cray. He was unwilling to be reinstated at such a bloody price. He had sent a tressage to Ger. Outlinn, requesting him and the King of Naples to withdraw their troops.

The times at Rome are terrible. Prests have been dragged from their miding places, backed to pieces by the populace, and cast into the Tiber. The citizens were in the hipsest degree of excitement, and prepared for any emergency. It was supposed that no earthly power could restore the Pope, though the French's raily was proceeding to march on the city again.

Russian troops were havening to the assistance of Vienna. A large stray had entered Galliers, amounting to 120,000 treeps of the promises them a warm reception. ANNERS from our canANNER mow in our cast.

SECOND DESPATCH. Cholera at New York—The Markets.

Washington, June 7th. The New York Herald has received om its correspondent the following

HEAD-QUARTERS, PACIFIC DIVISION, SAN FRANCISCO, Upper California, April Iat, 1849.

signing to come here from your port, or just neighborhood, that they can have no right to count upon any other than the structess construction of the law, as in all other ports of the United Strate, both as regards cargoes and vasuels, and particularly that dutable goods cannot be entered than the series.

are preparing to render appropriate luneral hop-ors to the remains of the deceased warrior

temen, who have resolved to enter campaign with a fair and not avown; and are ready to meet. They have no concealments and are ready to meet.

SAN PANCISCO, Upper California, April Int., 1849.

The treaty concluded with Mexico, on the 30th of May late, brought Upper California within the United Statea, and, of course, within the General Statea, and, of course, within the General Statea, and, of course, within the General Statea, and, of course, within the open state of the 30th of United Statea, and of the General Statea Sta General war at hand-elections in France-affairs of Rome-debates in the National Asset bly-passage of important resolutions - French Ministry defeated - Dunish war - the war in Hungary + French republic recognized by Rus-na-manifesto of the Czar-the terminatum of

machinery necessary to their complete action, is wanting.

Now, the law declares that certain goods shall only enter upon baving paid the doties prescribed by the tariff; and when the Secretary says that the department is unable to collect duties on such, the proper inference is not, hamily seem to think, that goods can enter with The elections for he new Assembly have taken place in France, on the 13th alt. From the returns around the Washington Union, that he washington the washington that the washington that the washington that the washington that the washington were elected. This event prothe Washington Luon, that Red Republicans were elected. This event promisider a fresh deciration of died animelately a fall of 13 francs in the public ary. Accordingly, we find a footbase of the seamer left, the 5 per ents were quoted at el described by the editors, in fines, 50 centimes and the 3 per cent at 52 francs.

the scamer left, the 5 per onto were quoted at eight frames, 30 centimes and the 3 per cent at 52 france.

National Assembly.

The affairs of Rome and Hugary wefe under consideration in the National Assembly, and gave race to a most executing debate. Party welcome was carried to such a patch that similar scenes had never been witnessed in the French Chambers. In moderation of Congress upon the subject; and so has a patch that similar scenes had never been witnessed in the French Chambers. In moderation of congress upon the subject; and so has a patch that similar scenes had never been witnessed in the French Chambers. In moderate the framework of the few in this occasion of Congress upon the subject; and so has a patch that similar scenes had never been witnessed in the French Chambers. In moderate the framework of the few in this occasion of the gold miners, an absolute necessity of some mans of trissportation exists the moderate of the gold miners, an absolute necessity of some mans of the few in this occasion of the gold miners, and should not the few in this occasion of the second on the same of the few in this occasion of the gold miners, and should not the few in this occasion of t National Assembly.

The affairs of Rome and Hungary wefe under consideration in the National Assembly, and gave too the Faton, though a modified tone of completation of the Faton, though a modified tone of completation of the Faton of the position and aborator, who has a modified to the office of the position and aborator, who has a modified as modified to the office of the position and the position and aborator, who has a modified to the position of the pos near themselves that cannot be the District of the Larry in the Larry defeaved, did not think fit to send in their resigna-tions to the freedent; no doubt on account of the resource of the sendent is generally supposed, to the very that when the new Assembly meets, Mar-

2s of a two secured to tough the Emperor of Russia and the The French Republic.

The French Republic was officially recognized b
th: Emperor of Russia—a most important event. The Danish war still continue

The Danish war still continues without decision, or, respect of termination.

GETTIMAN Y.

HISTORIES WARE.—The Hongarians contend hero: (1) against Russia and Austria. They are preparing for a desperate struggle.

Russias.

At the same time that the Emperor of Russia recognized the Fronch Remitte by insend a man

tave made provision for appointing the necessary officers.

It would be well, also, to inform all adventuates and unprisonment; that although the position of alams here, incident to the change of comments, that although the position of alams here, incident to the change of comments, that hitherts prevented action under these laws, yet they will be enforced as soon as the means are organized.

I should like to be informed of the date of optimizerity of this communication, to be enabled to judge of the degree of indulgence proper to award to those change it.

Signed:

PERSIFOR F. SMITH.

Brevet Major General Commanding Division.

Genera Gaines.—The authorities of Mobile are preparing to render appropriate loneral honognized the French Republic, he issued a manicounto interfere in the war between Hungary and claim. He speaks of the high mission entrusted Also date. He speaks of the high mission entrained to from the kinnelity. He is firmly resolved upon detending the just rights of Austria, and upon reperting the unlawful invision of the Hungerians. The und of battles, adds his importal Majerty, will be for our cause, which is that of law and order, the will fight against more but evil disposed men. Our arms will be victorious?
