To the Subscribers of the Hee. As many of our Subscribers and particularly those who are annual advertisers, have their places of business at a considerable distance from the Office of the BEE, we have been induced to establish for their convenience, a Publishing Office, at No. 13, Camp Street, near the City Bank. Advertisements for the Paper may be left there until 8 o'clock P. M., and will receive prompt attention.

Frinday morning, Oct. 16, 1846. They who work shall win.

itholding his active and persevering aid at every political contest, than has the profes or brother to run a wild career of ruin unchecked.— And yet there are Whigs who see their country injur d by misrule, and the party which preaches dor armes at variance with the precepts of sound govern ing to give up everything, abandon all effort, and tenana are aptly denominated by the N. Y. Tribuas. Whigs by jerks," and that paper speaks of them in erms of such wisdom and truth, that we willingly ubstitute in reflection.

s oftenest when the projects of the destructive party mave resulted in some pecuniary collapse—Whigs o m-will ride, run, work, harangue, rer w months pass; the cloud lifts a little; the hank e same as before-yet these tempestuous Whis have subsided into a perfect Dead Sea of apathy.

They are out of all conceit with politics—have los all faith in any party or party measures—they do ick to their business and let politics alone hereafter they are coaxed to voted at all, it is to rid them elves of the importunity of two or three of the other it of Whigs, who do not guage their politics by MADISON, CLAY AND WESTER, & hose which will best promote the welfare and tri he trading classes with Pet Banks, or to crush the ortha hundred dollars and cannot earn eight dol-

ars a week, has to make two or three journeys to th to was all ablaze with patriotism last year, and a ellegence is so necessary and ought to be so influen ad as in a Democracy like ours; our Whigs by Jerk to not allow themselves to exert that influence is them engaged in politics only once in three

fould not this class, for their own sakes and the country's, act and vote as Whigs in those years whe ere is no issue in which and no leading candidat well as in the opposite case! True, a man is no

cosen, which will necessarily have Peace or War Fariff, Finances, Public Lands, and all the great erests of the Country in its hands. Depend on it who votes only when he feels some special incite ient to do so divests himself of his proper infl and weight in those contests when he would gladly than an hour to do so, is very little to do twice a year toward the maintenance of Public Order and Nation-

The Elections.

From various quarters we are greeted with the glad tidings of whig victories. Maine is nearly regenerated; Connecticut is atoning for her interness and apathy last spring; Georgia has done wonderfully well, and to crows the whole, the first gua from Maryland is the herald of a whig triumph. Everywhere locolocolom appears to be sinking under the effects of a galloping consumption, while whiggerly seems limbured with renewed life and vigor. Yesterday's mail-contained returns from the following States.

University of New York. This is a work of gren value. It proposes to teach the most beatiful of living languages upon the basis of the system of Oilenlorff—a system combining grammatical rules with constant practice, and proc occus of this most ingenious and admirable metho has been already tested by practice, and it will, ere long supercede the old lumbering plane by which years ainful study were sacrificed, and little accomplished

Arnold's First Greek Lessons .- The object of this Armon's Frist Greek Lessons.—The copyrior to the volume is to firmidische the young student with the grimary copyrior of the Greek language, by acting bin at work in quantities and the copyrion of the resident with the copyrion of Ollendorff has been pursued, and frequent repetition of principles adopted as a means of impressing them on he memory. The work has a wide spread and doubt-

less well deserved reputation.

Thoo tives, or to seem and to be, by Maria J. McIntosh. This is a very elegant volume in appearance, and its when it is very engant volunt in appearance of the commend it was not seed it, but any limiting to commend it upon the high authority of the Philadelphia Gasette; s a fiction of sterling value and approved morality

From Port LAYACCA AND GALVESTON .- The U. S. steamer Telegraph, Capt. Auld, from Port Lavacca and Galveston, arrived yesterday. She left Port Laeca the 7th, and Galveston the 13th instant. The vacca the 7th, and Galveston the 13th instant. The Telegraph experienced very heavy weather on her parsage to Port Lavacca and back to the city—the wind being from the E. N. E. The T. brought up from Port Lavacca, Captains Dickey and Dodge. Lieuts Reed and Kellogg, of the U. S. Army, statched to General Wool's division; and 45 suck and diccharged volunteers. General Wool, with 2,500 men, started on Toesday, the 25th ultimo, from San Autonio for Presidio—his advance quard having left

THE WINEMAGOES .- At another interview between he Winebago Chiefs at Washington and the Com-nissioners an offer was made them of \$400,000 acres of land north of St. Peter's river and west of the Misissippi, and of \$150,000 in cash or annuities. The Indians rejected this offer, and claimed \$300,000 in money, and \$100,000 in land, to be selected by the Government. Mr. Parris stated in reply that he rould submit their proposition to the President. The iference then broke up.

Yesterday about 3 o'clock, P. M., says Wedestay's Mobile Register, a fire broke out in the same dwelling occupied by Mr. Strickland, on the south side of Government street, the fire had communicated to the roof from the chimney, and the iding would have been destroyed but for the prompt interposition of the fire companies. A part of the roof was burnt, and this fortunately was the

rith accounts of the capture of Monterey. As a

achievement, we copy the following fr this achievement, we copy the following from the titorgam—a Lucofoco paper:—
Capture of Monterry.—The victory of our troops at Monterry under the invince sle Taylon, is another chapiet on the brows of the gallant officers and men of our herone atmy and brave volunteers. The country will award to Worrn all the honor this accomprished officer deserves. While we regret the loss of so many gallant aprits in their country's service, we are cherted with the reflection, that they died as the brave should die, with the x country's honor unternished. We hope soon to publish the official accounts of this glorious victory, when justice will be awarded to all the heroes of Mo arery.

On motion or Mr Derbes, there being no quorum, ahe Council took a recess of tive innuies.
The Council having met again, the members present were—Aldermon J Dupleesis, C Dufour, Alexandermon J Dupleesis, C Dufour, Alexandermon J Dupleesis, C Dufour, Alexandermon J Brance, E Ciquel, R Hisgan, Z Latour, James B Marks, J F Slingerland and P Shelds—11.
Alderman E Wilk is absent on leave.
The minutes of the last insecting was read and approved.
The following measure from the Marks of the following measures from th

The minutes of the last meeting was read and approved.

The following message from the Mayor was read:

\*\*Mayoratty of New Orleans.\*\*

To the Hon, the President and members of the Council of Manicipality No. One.

Gentlemen—I have examined the resolution adopted by your honorable body on the 8th inst., amending the ordinance of the 3d August, 1946, so as to permit Public Balls to be given in the Ball Room fronting Canal Carondelet within the limits of the Fith Ward, of Municipality No. One. I am aware that the premismon to give these public entertain ments was granted by the Council at the request of a inge-portion of the inhabitants of the Fith Ward, and particularly, those reading in the immediate neighborhood of the said Ball Room, who signed and presented a petition to that effect; yet, I deem it my duty to return said resolution for your further consideration; however, much I may regret to disagree with your honorable body and with the signers of the petition.

The ordinance of the 3d August, 1846, emitted in

with your solution to say and with the signers of the perition.

The ordinance of the 3d August, 1846, entitled;—
"An ordinance to prevent nutsucces and to prevule for the security of public decency," was loudly called for, and its adoption received the unanimous approbation of the citizens of this municipality, as it was contemplated to satisfy and meet the repeated complaints of many persons who somadered public rutertainments of this character, as subversive of the morals of the community, and so a nuisance to the asselves and their families.

To sanction this resolution, would be not continued.

or the community, and as a manance to themselves and their families.

To sanction this resolution, would in my opinion, he essablishing a precedent which would authorize other persons to apply for a like permission in other parts of this municipality; and I consecutionally between the I am conforming with the wishes of the citizens, and I am acting in accordance with the public interest, in refusing to approve such a measure as the one now under consideration, the object of which is to allow the congregating of level wouser, and to afford them an opportunity of creating scandal and distorbance and of exercising a demoralizing influence.

distorbance and of exercising a demorarizing transeque.

I have approved the resolution appropriating the
wharf lying between St Louis and Toulouse streets,
for the influence and morning of all sea sterm, vessels
coming to this intuncipality; but I beg leave to recommend that said resolution be 1) annualed as to be
in conformity with the law which places steam vessels coming from sea under the immediate immagement and courted of the Port Warden.

Encolored I hand you the petition of Philip Willmann, Farmer of the Meat Market, together with a
bill of the damages which he represents ise has opcurred.

I am respectfully, gentlemen. Your most obedient Your most obedient servant,
A D CROSSMAN, Mayor
N. B.—Enclosed I hand you the withfrawal of Mr
George Cave, for the construction of the Framing
Machine, in Orleans street
Mr Marka moved to lay the message upon the ta-

of the roof was burnt, and this fortunated principal injury sustained.

FROM BRAZOS ST. Laco.—The sehr. Fidelia, Capt.
Turner, arrived here yesterday morning, having beft Brazos on the 7th instant. She brings no news. We learn from one of the passengers, that Canales is thought to be between Monterey and the Rio Gruide, as when last heard from he was at Mier, and had with him some 680 Mexican rancheros.

NEURO SCEPRAGE.—The New York Copvention have agreed, by a vote of 73 to 26 to submit separately would by to the people the following section of the New world in the affirmative—5, and that Messar Dethes, a method, it appeared that Messar Dethes, a method in the affirmative—5; and that Messar Dethes, a method in the affirmative—5; and that Messar Dethes, a method in the affirmative—6. Therefore that part of the Mayor's measange was last upon the table subject to Mayor's measange was last upon the table mispect to

rail.

The second paragraph relative to sea steam ven-less, was referred to the Judiciary Committee.

Mr Hagan moved that the petition of F Waltian together with the bill, be referred to the Committee and Union. Solid nontrino man reserved.

to all the heroes of Mo sterey.

Vessel on Fine.—The Savannah Georgian of the light hays:

Captain Lvon, of the ship Lancashire, arrived at this part on Wednershay, reports, that on the might of the 27th Septeraber, in latitude 39 30 North, longitude 30 North, while he calmed, was a light hearing West, surpposed a vessel on tire; at 4 A. M. breezing up from the 3. W.; at 8 A. M. saw large clouds of black and white micke bearing 8. W. Stood on to the W. N. W. with the expectation of getting the sinck to bear 8. S. E. and tack for it, but before and thick weather, which brought in under a clore recefed main topanil, which also made all other attempts to discover the particulars impossible, as well as useless.

The Great Bucyam had not arrived at the last accounts from New York.

The Libel Care.—Ramon Plansa, charged with a libel, was brought yeaserday before Recorder Genois and farmulsed but in the sam of \$10,000 tor his future appearance before that Magisterite.

The Libel Care.—Ramon Plansa, charged with a libel, was brought yeaserday before Recorder Genois and farmulsed but in the sam of \$10,000 tor his future appearance before that Magisterite. The accused gave ball for his future appearance before the firm for the firm the Surveyor be and he is hereby authorized gave ball for his future appearance before the firm of the firm of the committing Magistrate.

Robert P. D. Wednesday night, at about half

General control of the control of th

Be it resolved. That the Council of Musicipality Number One of the city of New Orleans, row give their unanimous soment to the emancipation of the following slaves, itz.—

Ist. To the emisne-pation of Josephire, a mulatto girl, aged about forty years, and to her two clubtlern named Louis, a quarterson, aged about say years, and to François, now aged about say seams, and Jones Deloche. 2d. To the emancipation of Valeour, a mulatte man

2d. To the emancipation of Valeour, a melatte man aged about twenty-two years, and Coits, a mulatte man, aged about twenty-two years, belonging to the estate of Heloise Zanox, f. c. w.

3d. To the emancipation of Eizzabethalias Sylvie, a negro woman, aged about titly eight years, basonge mg to the estate of Francisco Brunette.

1th. To the emancipation of the slave Simon, a negro boy, aged about torty years, belonging to Winsteast.

5th. To the emancipation of the slave named John Jean), aged eighteen months, belonging to Juan Sanser. Sussex.
6th. To the emancipation of the slave Marie Rose, quarteroon girl, aged about one year, belonging to Marinette Thomtond Widow Lambert, C., w. 7th. To the emancipation of the slave, named Alexandrica, aged about twenty-six years, belonging to Haus Addicks.

Alexandrine, aged about twenty-six years, belonging to Haus Addicks.

Bith. To the emnergations of the slaves ariza, negro woman, aged about forry years, and he daughter, named Jeaure, aged about seventeer years, stais literace, belonging to Louis Ferrand; and that all the adocessed slaves be, and they are, breely permitted to reside and remain in the State of Louisinga after their emancipation shall have taken place.

Z LATOUR, Chaurana, ALEX, DERRIES, ALEX, DERRIES, ALEX, DERRIES, Chairmen of the Committee on Claims, submitted the following report —

The Committee on Claims, to whom was referred the letter of J Leanes, claiming his salary as Chef Carpenter of this Municipality, at the rate of \$60 per in outh, beg leave to say, that on the Sh to Decoulier, 1845, the Council of Municipality Number One, adopped a resolution reducing to their the number of carpenters, and carpenters to be paid as follows;—one clief carpenter, a the rate of \$60 per month; three others at \$55 per month; syor Committee have called acceptant meaning the part of the reverse, from said sever been appointed Clief Carpenter, and up to this day, we have not been able to receive, from said Surveyor, a positive answer. We, therefore, beg to dedocarged from the further consideration of said letter.

Before closing their report, your Committee think

be discharged from the further consideration of said letter.

Before closing their report, your Committee think it to be their duty to inform this Conneil that, although, according to the resolution of the 8th December, 1945, the Surveyor or Improvement Committee, had the right to employ only four earpenters for the use of this Manicipality; five levely paid by the Treasurer of the Improvement Department, and the rate of \$50 per south, each, from the Laminary, 1946, up to the 30th Sentember last.

J. I. FABRE, Chantman, CYPRIEN DEFOR.

The yeas and naysteing called for the the adoption of the soul report, it appeared that, Messly Defour, Council, Latour, and Marka, had voted in the negative—1; and that Messly Defour, Faure, Faure, Faure, Singerland and Shielish, had voted in the attractive—2; therefore, and voted in the attractive—3; therefore, and voted in the attractive—4; therefore, and voted in the attractive—5; therefore, and voted in the attractive was adopted. in the affirmative—r; necessarily independent of the Fire Company, prosented the following report, which, on induce, was adopted.

The Committee on Fire, to whom was referred the entire of a certain number of persons residing within the limits of Municipality Number Due, praysing the Council to permit them to torus and regarder.

that the expenses incurred for the infinitence of said companies are too enormous to be increased at the present time; your Committee will, therefore pray to be discharged from all further; economical that the demand of the personners be relieved in the state of the personners be relieved. A DERBES, P. SHIELLIS.

opening Berwitte, and digging the canal and dictions were read.

Mr Patrick Mooney, proposes to updertake the work, agreeably to the specifications, for the sam of one hundred and three dollars per acre.

Mr Hagan, presented the following resolution:—
Resolve 1. That the proposal of Mr Patrick Mooney for the opening of Benville street, according to the specifications in the Surveyor's office, the and in hereby accepted; that is at the rate of ole hundred and three dollars per running acre, or hity-one dollars and fifty cents for each safe of the street, psychle in a rose of the Municipality at twelve injentite from date, from the completion and acceptance, by the Surveyor, of each and every live acres, two-thands of the amount to be paid as the works proceeds. opening Bienville, and digging the canal to the Improvement Committee. Said motion was rejected. Mr. Displessis moved to lay indefinitely the whole on the table. Said institution was rejected. Mr. Marks moved that the vote be reconsidered.—Said motion, Mr. George Cave was permitted to withdraw the proposals for the Draming Machines.

Mr. Hagan, Charman of the Improvement Committee, submitted a report and resolutions recommending to declars null and word the contracts entered into with I-me Cronan for paving the streets of the Municipality, and to receive scaled proposals for the Municipality, and the formula of the streets of the Municipality, and to receive scaled proposals for the Municipality, and the formula of the streets of the Municipality, and the formula of the streets of the Municipality at twelve intention of the Surveyor, of each and every live acres, two others of the Municipality at twelve intention of the Surveyor, of each and every live acres, two others of the Municipality at twelve intention of the Surveyor, of each and every live acres, two others of the Municipality at twelve intention of the said trace of the Municipality at the rate of the Municipality at the rat

I vote against said resolution formula Louri of opinion that, and work ought to be done by the Drawing Company, according to its contract with Municipality Number One. "I vote against the resolution, because I am of opinion that, the Draining Company, is, according to contract with Municipality Namber One, obliged to do the work.

"JAMES B MARKS."

The rules being depended with W.J. L. Pabre, pre-

return of the following resolution, which, on indicat, was adopted; the rules being dispensed with, with an additional resolution, othered by Mr Latour Resolved, That R Hunt, Esg., attorney at law be, and he is, hereby chosen to assist the proceeding counsel of the Manacipality in the argument of the case of A Labourdette va Municipality Number University more than maintain now resulting for a second of the second of t

Therefore mid resolutions were adopted as follows:
Be it Resolved, That the proposal submitted by
Mr Jean Communy at the last sitting of this Council
for the erection and building of the draining machines
at the rate of \$25,000; and for leasing and machines
and keeping them at his own peril and expense, leand is hereby accepted as explained in his letter and
according to the specifications, plans and devices in
the Surveyor's office.

Be it further Resolved. Thus the Mayor be and is
hereby insurfaced, to enter into a contract is ducledgal
form with the resol Jean Communy, in accordance
with the above proposal of said Jean Communy and
with the surveyor's office.

Be it further Resolved, That the mode of payment
for the creciton and completion of the draining machines according to mad proposal, shall be in install
ments at one, two, three, four and five years as
stated in anall proposal, and that mid proposals, specifications, plain and devices shall be annexed to said
contract.

Be it turnber Resolved, That Jean Communy shall

Be it further Remised, That Joan Communy shall

manner of his duries and for the execution of his conservat.

On motion the scaled proposals for repairing the wharves were assent into consideration.

Mr John King proposes to do the work at the rate of \$14 per square.

Mr J Gohn tand Annel proposes to do the work at the rate of \$14 per square.

Mr J Gohn tand Annel proposes to do the work at the rate of \$2 80 per sqir \$8.80 Mr J W JMC-hunn proposes to do the work at the rate of \$10 per sqir \$8.80 Mr J W JMC-hunn proposes to do the work at the rate of \$10 per sqir \$8.80 Mr J W JMC-hunn proposes to do the work at the rate of \$10 per sqir \$3.00 Mr JW JMC-hunn presented the following resolution which on njotion was adopted, the rules being dispensed with.

Be it resolved. That the proposal of Mr J W Mc-Namar for repairing the whaters from Canal to St Leans streets, and also the whate of steam vessels; be and as hereby accepted; the whole work to be done accordinging the specifications relative thereto, under the superintendence of the improvement committee and surveyor, and to be completed by the thirty-first day of December next.

Mr Hagan presented the following resolution which, on shotion, was adopted, the rules being dispersed with:

Resided, That the Surveyor is and he is hereby

when, on motion, was accepted, the rules tering disperiod with:

Resolved, That the Surveyor is and he is hereby
authorised to cause bridges to be constructed at the
interfection of Royal and Hespital streets.

Mr Giquel presented a resolution in layor of the
Sergeant-Arms On motion, said resolution was
in the the order of the day for the next meeting.

Mr Giquel presented the lonowing presenter and
resolution

Mr Giguel presented the lonowing pressible and resolution.
Whereas by an article published in the flee of the 9th instability was, through error, stared that Mr Z Latour, Alderman representing the Fifth Ward of this Municipality, at the last atting of this Council, in supporting a pertion signed by a large portion of the inhalsisants of the Pitth Ward praying that positionally declared that it was the sections with of this constituents, and whereas the greatest possible publishing was given to said reput which is an action-code offer, inastruch as Mr Z Lettour only said that he was bound to support a petition sequel and that he was bound to support a petition sequel and presented by so many citizens. Be it therefore Resolved, That the Council of Manicipantly No Onc. in order that justice may be rendered to whom it belongs, by hence properly ascertained, do now deciate, that Mr Z Lettour, Alderman representing the Fifth Ward, did not present that it was the sname work with flux constituents to have public balls, but only the world of the ball moon fronting Canal Carondelet.

Mr Hagan moved that said resolution he laid on

seighborhood of the ball room fronting Canal Carondelet.

Mr. Hagan moved that said resolution be laid on
the rable. Said motion was rejected. The ayes and
tree styring called for on the adoption of said resolution, it in peared that Messers Duplemes and Hagan
tot voted justice. P. Saiders, Capael, Marks, Singersond and Shielde had voted in the affirmative—st
Said resolution was therefore adopted.

On motion of Mr Dubour, the innes being dispensed
with the Council took up the following report and
resolutions presented by the Finance Committee and
make the order of the day.

(For report and resolutions see lice of the fig.)

there experts and resolutions are like of the light. On monday of Mr Dutour, the words "one per cent remediate per thousand" were crashed at the first resolution. Said gentleman proposed to stusert a xto be perfusioned to meet that per cent or factorize perfusioned.

The ages and mayes being called for on Mr. Fainer motion, it appeared that Messes Datour, Faure vin Latour mad voted in the negative—3; and that Messes Daplesase, Beerles, Faber, Giquel, Hagam, Marssinger and and Shields, had voted in the athorize to the statement of the stateme

Therefore said resolution was adopted.
The area and mays being called for on the nic prison of the list resolution as amenised, it appears that Messel Disher, Fourier and Labour issued on the negative of and that Messes Duplessis, Derber Faber, Gegori, Hagan, Marks, Singeriand and the list work of the list with the affirmative.

Therefore and resolution was a rance. Copies, Hagan, Marka, Singeriand and State it had voted in the affirmative.

The reversal attracts being caused on the adoption of the wood resolution, it appeared but the adoption of the wood resolution, it appeared that Missen Dustour, rather Faures and Latener had voted in the affirmative. It and that Messen Duplemins, Derives, Gripple Hagan, Marks, Singeriand and Shoelds had noted in the negative. Therefore said resolution was reported.

On moston, the third resolution was reported.

On moston the third resolution was reported.

On moston of MF Fabre, the other resolution was membed by ersoning the words.

and a mering the word "Council and on motion of the same of the plant was fixed with the same of the plant was fixed to the plant was fixed t On motion, the resolutions is amended were adopt:
