NEW ORLEANS, SUNDAY MORNING, FEBRUARY 9, 1868.

Smith, of Orleans, said that although some of the geotlemen were his own warm personal friends, he would be compelled to vote against the motion on the grounds presented by Judge Cooler BY TELEGRAPH. friends, he wome be compressed to the motion on the grounds presented by Judge Cooley.

Newsham, of West Felicians, said that Gen.
Haucock and the Convention were entirely independent of each other, and the Convention
might honor whom it pleased; he wished the
members to bear this fact in mind when they
voted.

The motion was amended so as to include the
newly appointed members of the City Councilthe Ex. ITe the New Orleans Bee. FROM WASHINGTON.

Stormy

Wickliffe offered an amendment providing for the numbering of beliots, which he thought would cover every objection.

Judge Cooley characterised this plan as a vitial rire over system, and gare an amusing description of the workings of that system as he had seen it exhibited.

Wickliffe's amendment was finally adopted, and after some further discussion, the Article, as amended as follows, was adopted by 33 yeas to 23 nays:

ART. 4. At the election for officers of the civil government authorised and required by Congress, to be stabilished by this Couvention, all tregistered electors may vote in any parish of which they may happen to be on the registered, a list of such persons shall be taken by the Couve tin any parish where they were not registered, a list of such persons shall be taken by the Commissioners of Election, and the number of their registration parpers and the same of such votes upon the election list. In counting the votes, the proper authorities to whom this task shall be assigned by this Couvention, shall in all such cases extain mine the registration lists of the parishs in which they were registered, and in the ballots cast shall be taken by the Convention, shall in all such cases extain mine the registration lists of the parishs in which they were registered, and in the ballots cast shall be taken by the Convention, shall in all such cases extain mine the registration lists of the parishs in which they were registered, and it has been been been been by this Convention, shall in all such cases extain mine the registration lists of the parishs in which they were registered, and it has been been been been by this Convention, that have voted oftener than once at said election, his vote shall be thrown out, and not counted. The Convention then adjourned until Monday at 10 o'clock.

Washington News.

reation made on these changes, outside of san indiances, so far as we have heard that is one of unqualified satisfaction.

IN NEW MINISTER TO THE BRITISH This own works and shall go on in spile of all obstacles and this consequences. The new measures of the people and shall go on the understand that is one of unqualified satisfaction.

This new measures that rebel Democrate can throw in the way the people of the state of the popular and shall go on the understand that is one of unqualified satisfaction.

This new measures that rebel Democrate can throw in the way the people of the people and indicances that rebel Democrate can throw in the way the people of the people and indicances that rebel confederacy. This bill meets the most approach of the Northern people, and let well be the confederacy. This bill meets the most correctly of the people and indicances that rebel confederacy. This bill meets the most correctly of the people and in the way the people and in the way there, and now to these deflant Southern's Reveryd Johnson will probably be the correctly of the people and the people of the wishes to go to England.

Amusements.

These resolutions provide for the payment to a the members, by the tax collectors of the different parishes, the amount due on their warter traits, instead of paying the amount into the State Tressury; and that the Treasure receive and place to the credit of said tax collectors and place the call tax collectors and place to the credit of said tax collectors and place to the credit of said tax collectors and then it turns cut a specimen of legislation which then turns cut as specimen of legislation to the said tax collectors and then it turns cut as specimen of legislation and then it turns cut as specimen of legislation which then turns cut as specimen of legislation to the taxk.
