# WAR AGAINST THE DEVIL

*“Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.”*

*1Peter 5:8-9*

Thank God for all his Mercy.

War Against the Devil is a powerful book that everyone must read and meditate on. This book spells out ways people can use the power of God in raising a standard against the rulers of the darkness that seek to put people of God in bondage and destroy their lives.

# ACKNOWLEDGMENTS

This book is probably one of the most challenging books I ever wrote. While I was getting ready to write this book, I experienced different challenges at both work and home, but to God be the glory, I am still here. Regardless of what was coming after me at work, I was determined to get this book out, I was not going to let the devil smile and have his way. I am strong, mightier in Christ Lord Jesus – because the battle is not for me but for Him to handle.

I was never alone in the struggle to stick it to the devil or take him down. My God has my back and resides with me. Thus, the love that He has for me is beyond anything I can ever express. With everything in me, I thank you Lord God, I profoundly appreciate the love that you have for me and my family, and without you I am nothing. I love you, Father God, to you alone be the GLORY!

# PREFACE

The Almighty God is stronger, smarter and more sophisticated in all ways, especially how He acts, operates and interacts with humans since the beginning of time. He is the Creator, the only one who can kill and still command our spirit to come back to life whenever He desires. It is my faith that no people of God should be afraid of the devil and what he wants to do to them and their families. When God created the heaven and earth, the devil was not part of the construction crew. In actuality, our heavenly Father never once asked anyone for help in putting His plans into motion. It is not a secret that God the Father never used a building contractor or a civil engineer to design Heaven and Earth. Therefore, why should I be scared and submit to the devil and all the negativity he tries to infuse into my life. I am a Child of the Most High and I will remain the same until we go back to be with Him in Heaven.

This book is intended as a spiritual war strategy to combat the devil and all his endeavors in your life and the life of your children, family and loved ones. Remember that the devil is a liar; he has been defeated by Jesus Christ. He always wants you and I to think that he has more power than our God, but he doesn't and that is why it's more important that we use the weapon in our hand, which is the gift of the Holy Spirit to set him straight. Through reading this book and applying the principles and warfare strategies described, you can be a bold and unafraid Soldier of the most high God by taking back all that the devil has stolen from you and your family. It is time to pull down all the strongholds that the prince of darkness and his lieutenants have decreed against you and your loved ones.

It is time to revolt against every unfortunate misfortune that has kept you and me from achieving our potential; this is your time, this is your season – enough is enough!

**“... and the prophets; who through faith subdued kingdoms, worked righteousness, obtained promises, stopped the mouths of lions, quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, became valiant in battle, turned to flight the armies of the aliens.” Hebrews 11:32**

**“Keep YOUR senses, be watchful. YOUR adversary, the Devil, walks about like a roaring lion, seeking to devour someone.”**

**1 Peter 5:8**

Never forget that Jesus Christ already defeated Satan at the cross. The war against the Devil has already been won long ago! In this scrupulous war, however, the battles rage on with people of God winning. Be alert and be ready. The Devil knows you have unconditional rights to rebuke him whenever he tries to attack you. Always remember how big your God is, and not how big your problems. You're in control in the name of Jesus, but the Devil does not want you to know that.

# CHAPTER 1

## *Create a clear and attainable Objective*

**I**n the midst of any war-related matter, the first thing a good General would do is to have a clear and attainable objective in order to win the war. The wars we people of God are confronted with these days are not physical but spiritual. In essence, it is a “spiritual warfare”, so for the sake of this discussion please allow me to elaborate what I meant by a spiritual warfare. You see, the Apostle Paul admonished believers to “put on the whole armor of God” in order to resist the wiles of the Devil. We need to engage in various grandiloquent oral affirmations of the word of God and the promises He has proclaimed in our lives. We also need to assemble believers of His word to join us with their various voices and invoke the power of the highest God into whatever is troubling us. The Bible says, we have the power to “bind the Devil” all his powers and the power of his lieutenants in the supernatural world-over cities.

As part of the strategy to attain winnable results, it is necessary that we pursue the following tactical strategies:

1. Commence fasting and praying.
2. Determine which areas of your life are things you are going to direct your prayer toward.

3. Establish the location of this problem or stronghold in your life.
4. Talk to God and take your petition to Him at all times in the spirit non-stop, and make sure you have faith that whatever you have declared is done in His name.

In the book of Ephesians 6:10-13, it says: “finally, be strong in the Lord, and in the strength of His might. Put on the full armor of God, that you may be able to stand firm against the schemes of the devil. For our struggle is not against flesh and blood, but against the rulers, against the powers, against the world forces of this darkness, against the spiritual forces of wickedness in the heavenly places. Therefore, take up the full armor of God that you may be able to resist in the evil day, and having done everything, to stand firm.”

I remember a couple of years ago, I heard about this lady who was giving a testimony in Church about what happened to her. She had a bad dream one-day and saw her only daughter dying in her dream, the whole dream was so real that she woke-up drenched in sweat and at the time her daughter was pregnant and she was in the hospital about to give birth. Long story short, her daughter died while in labor and the hospital officials called the Mom to come to the hospital, but when she got there she was advised that her daughter has passed. She immediately refused to accept the fact that her daughter was dead, she asked to see her and she put her hand on her and prayed and was invoking the name of God. A few minutes later after she was told to leave the room, the doctor came running back to her in the lobby and said, “I don’t know who you know up there, but your daughter just started breathing again.” The doctor also told her that both the baby and the mother were doing just fine! Our God is a game changer; He can do and undo whatever the enemy has proclaimed in your life. The devil or any enemy does not hold the key to my

life and yours, God the Almighty is the only one that can change our destiny. I remember the story of Hezekiah king of Judah. He was sick and near death, and Isaiah the prophet went to him and told him, "Thus says the Lord: 'Set your house in order, for you shall die and not live.' The King however refused to accept the fact that he'd just been declared a dead man, instead Hezekiah turned his face toward the wall and prayed to the Lord saying, remember now, Lord, I pray, how I walked before You in truth and with a loyal heart, and have done what was good in Your sight." King Hezekiah wept bitterly. Then it happened, before Isaiah had gone out into the middle court, that the word of the Lord came to him saying, "Return and tell Hezekiah the leader of My people, 'Thus says the Lord, the God of David your father, "I have heard your prayer, I have seen your tears; surely I will heal you. On the third day you shall go up to the house of the Lord, and I will add fifteen years...And will deliver you and this city from the hand of the king of Assyria; I will defend this city for My own sake, and for the sake of My own servant David."

Sometimes all it takes is for you and I to have a clear objective on what we want our Lord God to do for us. The Devil is overrated in my view, but we need to counter hype our Lord of Mercy. It's funny that the unbelievers are fiercely loyal to the Kingdom of evil, so why then can't we be loyal to the Kingdom of God and put the Devil to shame anytime he attacks us or our loved ones. We are fully loaded, we have all the ammunitions that we need, the Word of God is our "Bazooka", anytime the Devil and his lieutenants knock at our front-door, we need to say, "Jesus, please help me with that!"

Let's be realistic, the goal of any believer is to defeat the strong-man and strong-woman in their lives. In other words, all the strongholds will come down when and if you decided to fight for your rights and claim or re-claim whatever the Devil

has stolen from you – keep in mind that the movement of God will not be stopped, all you have to do is keep going; even when all evil breaks loose. I trust God to put it back together or even better, re-create, modify or simply replace all that has been lost in your life. The only way we can fail in our spiritual mission is when we neglect to follow our dream that God has inserted in our various destinies. Nothing is as devastating for a believer than to refuse to claim his or her rightful blessing from the Lord, and when you finally have it, make sure you do not give-in to the powers of the darkness to snatch your blessings from you.

I honestly believe that the Devil and evil people are so creative that they will do anything and everything in order to accomplish their evil goals, even if they have to take you out of your comfort zone – such as lying tongues, putting or conspiring to put innocent people into trouble, deceiving people, deceitful witnesses that create lies against people, a heart that devises wickedness towards people, manipulators, spirits of envy, laughing and being happy when your friends, co-workers or family members are in trouble, etc.

Thus, it is an essential if not life-saving back-up strategy for a good man or woman to arm him or herself with the word of God. No matter how hard or devoted an individual prays to God, you must be ready at all times to use your arsenal against the enemy when and if attacked – your weapon of choice should be the Holy Spirit and in most cases praying in tongues and pulling down all the strongholds and or taking back all that the enemy has stolen from you and your family. In the book of Joel 2:25 it says: “And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you.” Indeed, I agree that God will replace all that you have lost, on the other hand we do our part by aggressively defeating the evil opponents

## CHAPTER 10

### *Game over: Who is your Daddy?*

**T**here is no set of Rules and regulations known to mankind that prevent we human beings from calling and talking to God anytime we want. On the contrary, the Lord God desires that we talk to Him and trust Him with all our transgressions. Some of us rather trust our Internal Medicine doctor, our surgeon, our dentist, the media, our research feedback, our state and Federal government, our Pastor and or anyone that we think is in the position to either solve our problems, or give us suggestions on who can help.

**“Thus says the Lord: “Cursed is the man who trusts in man and makes flesh his strength, whose heart turns away from the Lord. He is like a shrub in the desert, and shall not see any good come. He shall dwell in the parched places of the wilderness, in an uninhabited salt land. “Blessed is the man who trusts in the Lord, whose trust is the Lord. He is like a tree planted by water, that sends out its roots by the stream, and does not fear when heat comes, for its leaves remain green, and**
