AND A THERE IT THE SATURAL. TURBDAY NORNING, SEPTEMBER 3, 1857

slavishness, insipidity, and cowardice of some of the profession, it has always been a pleasure to us to empt him. We have a right to exact respect and courtery since we have so freely accorded it; but it has a mind to abandon the course he has persued for the last six years' to our knowledge, and begin to be personal and abusive be must not be surprised that he gets some knock as hard as he gives, and be dealt with in a manuer eissiler to that with which he treats

The Lemisians Advertiser of yesterday morning asserts that five or six testices are intened in the same grave in the herying ground near the Bayon 52 John, and that the bedies are left for a considerable time in the herying ground near the Bayon 52 John, and that the bedies are left for a considerable time in the herying and to decempese. If such were the fact it would be highly discrediable to our authorities, and would be projudicial to the character of our city for decemcy and humanity. We seel it to be an incess, bent duty upon, to contradict this statement, for our morthers neighbors are too much disposed to place faith iff these atorics, without taking the trouble of making any investigation, or calling for the slightest corroborating proof. The hospital which is located in the 52 manipality, and which should have a place of bury its own dead, usually sends several bodies at a time, but no delay takes place in hurying them as soon as received. The graves are always prepared before hand, and it would be impossible to bury more than one person, as they are not large enough to hold more. We dafy that paper er its informant, to state a slegte insuance where more than one person has been put in one grave. As for their remaining in the sun, it must be on their way from the hospital, and as for the decomposition, if these he any, it is to be attributed to the persons who attend the hospital, for they usually wait until they get a lead, as they call it, betwee they dispatch their hearse to the grava, yard, If these he any wrong, those chargeable with it, check they with it with the control of the chargeable with it, should be repreved, and set the induced to the propered, and set the induced to the propered, and set the induced to the chargeable with it.

with wyecks.

Taxas—There is great opposition musifested to the admission of this rich and floarishing trritory into the Union. Several grounds are assumed, but the most promise this they all learn that way is the causasseed it rice in. There is not one solid argument advanced why our country should forego the great national and iscuming adv. stages that would have from that unneasine. As fer the abstract question of slavery it is folly to argu that; for Taxas must and will be a alsey state whether admitted into the unnease or not.

to the House of Lords, with superal others.

GRAT BRITAIN.

LONDON July 17.

Nothing could exceed the interest wasted by the uncouncement, that the Queen would this day prougue Parliament in person. At an early boar, all the vessues leading to the gelleries of the frome of Lordon are not a crowded with ladies, analously waiting the boar of Lordon.

Feder. In a tew minutes to three o'cleck her Crowded.

Precisely at twenty minutes to three o'cleck her Majesty, preceded by the heralds and kirds in waiting, and attended by all the great officers of state—the Lord Chanceller carrying; the cap of ministenance, the Dake of Sounerse bearing the crown upon a cush-low, and Lord Melbouries holding the sword of state; entered he House. The peer's and poerceers rose as

on the left side; a protesion of large and costly dismonds hung upon her neck.
Her Majesty ascended the Throne with a firm and
composed step, and for several moments comtinued
standing graciously regarding all around her.
At this moment the interest of the secne was at its
height; and the ancetacle of any young and beautiful a
Sovereign so surranded, and deporting in said in a
situation so new, with an easy dignity and natural
grace that could ant be surp-used, was a sight not soon
to be forgotten. On taking her seat her Majesty's
countrance became dightly flushed, and once more
looking round her setting that the Peers remained
standing, he and in 'ow tone of voice, but bending
gracefully forward, and with an easy gesture of the
hand, 'My Lords, or Fersted.'

Bir Augustas Clifford, the Usher of the Black Rod,
was then directed to summon the Commons, and in a
'lew summiss the Members of that House, headed by
the Speaker, appeared be fore the bear. The tyrollent
mode of their entrance, and the almost busierous
streegies for preconence that look place between some

to cive effect to those wise and humane principles of riminal legislation which have been generally. Buted and approved.

We entertain a confident hope that our efforts in suitgate the severny of the law will this day be succioned by your Majest's approbation, and hereafter by hydrogent of an enightened and gratiful people. We have provided for the supenditure of the year other armore ragard to economy, but with a liberalty high we hope will secure the efficiency of the publicative and another and another armore.

country.

"Although your lobors have been unexpectedly in-terrupted, by the melancholy event which has taken place, I trust that they will have the beneficial effect of advancing the progress of legislation in a new Parliament. I preceive with satisfaction that you have Parliament. In receive with satisfaction that you have brought to maturity some useful measure, among which I regard with peculiar interest the amendment of the criminal code, and the reduction of the nusser of explain punishments. I halt this mitigation of the exercity of the law as an anapictous commencement of my reign.

"I accend the throne with a deep sence of the responsibility which is imposed upon me; but I m supported by the consciousness of my own right intentious, and by my dependance upon the pro-ection of Almighty God. It will be my care to strengthen our institutions, civil and ecclesiastical, by discreet unprovement wherever improvement is required, and to all it amy power to compose and allay antimosity and discord.

"Acting upon these principles, I shall upon all oc

would be projectical to the character of our city for deceaser and humanity. We seel it to be an incens, best duty upon, to contradict this statement, for our northern seighbors are too much disposed to place institutions, evil and acclerication, by discreet the province of the property of the displace of the property of the constitution.
